Community support

A **special** thank you to the staff, parents and student who generously gave up their time on Saturday to run the Election Day bbq -

Jenni L. Michael N. Mark C. Maryelle G. Manieka R. Bec A. Mary D. Liam G. all worked tirelessly throughout the day making egg and bacon rolls and sausages in bread to raise money for the school.

Jenni L. also contributed much of her time and expertise by baking over 100 cupcakes which were also sold on the day.

It is through such support and commitment that the PFA is able to raise funds which go towards the development of the school grounds.

The next major project for PFA is the expansion and further development of the playgrounds.

This will be very exciting, as it will provide our students with more areas to play at recess and lunch times.

A reminder, if you have time or skills that you are prepared to offer the school, we would appreciate your donation. (see last week's newsletter to register).

CURRICULUM NEWS

Our last Curriculum Day for this year is scheduled for **Monday 21st October**. This is a day where our staff will participate in Professional Development, to further improve the Teaching and Learning opportunities for our students.

The focus for this day is 'Personalising Learning'. This includes thinking about the whole child which includes, cultural, family and broader community influences when planning learning opportunities for our students. Thinking this way enables us to plan more effectively and ensure that the learning activities are targeted at the point of need of individual students. Reflecting on the whole child will also enable us to work with our students more effectively to help them set personal learning goals.

As educators it is crucial that we maintain our learning, to ensure that we are always providing the best possible learning opportunities for our students here at CPS.

Students are not required at school on this day

Casual Dress Day on Friday the 13th of September

The Junior School Council has organised this day to raise money for the Guide Dogs. All students in casual dress will be required to bring a gold coin donation to go towards this worthy cause. Students must wear **sunsmart** clothing, this includes ensuring shoulders are covered. Students must not wear open toed shoes but appropriate footwear for the day. As 'Onesies' are pyjama wear, these are not to be worn for this Casual Dress Day.
