PRINCIPAL'S NEWS

Good afternoon,

We have had another activity filled week, seeing students participating in many programmes designed to expand learning opportunities for our students.

Last Wednesday, Thursday and Friday many of our grade 5 and 6 students attended camp at The Briars in Mornington.

'On Thursday I had to eat breakfast and get ready for the giant swing. After the giant swing we were suppose to walk to the beach, which was a 3 km walk. It would take an hour to get there and back but because it was raining we didn't go. Instead we sung some songs and played games.' Thanks to Jason from 6KL for this short reflection about one of his days on camp.

On Wednesday, seven grade 6 students who had not attended camp were given the opportunity to go sailing with Captain Eric.

Our grade 1 and 2 students were very excited to walk to the library and their observations of the local environment along the way were reflective of the detailed discussions they are having in class about Cranbourne.

Our grade 4 students travelled into the city today. This was a great chance to travel on the train and visit the Immigration Museum, where they researched more information for their integrated topic.

Today you will be receiving some attachments to the newsletter – one of which is the information about the Disco next week – this will be a wonderful evening where students will be able to socialise with their friends and enjoy the music. If you are available to assist, the PTA would greatly appreciate your time. We look forward to seeing everyone at the

Term 1 is going very well. The students have settled very well into their classroom routines and have been participating in a range of activities.

In maths, students have been learning about time/calendars and looking at important dates and special events during the year. The students have also been busy learning how to collect and organise data to construct graphs. They have successfully collected the class birthday data and made a bar graph. Good job, grade twos!

In writing, students have been learning to write poems and letters. The grade 2MC students have each written a letter to the students in 2AS and likewise. They were very excited when they received their letters. The students completed an acrostic poem of their names and they are now writing poems (or verses) about things they dream about. They were having fun and enjoying themselves when they were brainstorming the rhyming and descriptive words for their poems.
