## PRINCIPAL'S NEWS

My message this week is about a very important relationship – the one that drives and determines the education of our children - the partnership between parents/carers and teachers.

We have all heard the expression – ***'It takes a village to raise a child'*** – this refers to shared responsibility of raising and educating children. It also emphasises the importance of knowing, understanding and accepting the responsibility that comes with influencing children – whether that be in the role of mentor, neighbour, relative, teacher, parent, carer, grandparent, cousin or friend.

When we help each other to achieve any goal, we strengthen the determination, the power, the force and the pride.

The education of our children has to be the most important thing we do together – how can we do this better? We would love to know what you think.

Please join me in the staff room on **Monday 4<sup>th</sup> November at 9.00am** for a cup of tea/coffee and **Have Your Say**.

## CURRICULUM NEWS

### Parks Edge Family Fun Day Saturday 9th November 2013

Our school has been invited to participate in the Family Fun Day at Parks Edge Estate. This is a fantastic opportunity for us to showcase the wonderful work that is being done in our school.

As we currently have Dance Fever working with us, we will be inviting students to perform one of the routines they have been learning, at the Fun Day. Letters will be sent home shortly, with more information regarding this.

This is a great opportunity for us to promote our school in the wider community and to take part in fund raising. We will have a cake stall as well as a barbecue, with all proceeds raised coming directly to the school. Funds raised on the day will help support maintenance and upgrades to our playground areas, thereby supporting student well-being.

We hope that you will support our participation in this event, by coming along to watch our students' performances, buy a sausage or a cup cake.

**See you there!**

*Di Fernand - Assistant Principal*
