Next P.T.A Meeting

There will be no more meetings for 2010 and a **huge Thank you** to all the people who have assisted the P.T.A by attending meetings through out the year. The school heavily relies on the fundraising money to help buy essential items for the school. This year the P.T.A bought and installed six brand new interactive whiteboards. The student learning gained through the use of interactive whiteboards has been researched as essential tools for the 21st century learning and we are very proud to have supported the school in this area. It is of course through the support of Cranbourne Primary School families that we raise enough money to purchase a range of items each year, so Thank-you for your continued support.

An important message from our Dollarmite Banking team

Please be advised that banking will continue until Friday the 17th December (last day of school). Students who are moving to another school and there is no banking available are welcome to continue to drop bank books to our lovely volunteers. The ladies are more than happy to process your banking until your school opens its own banking system. You will need to drop in your books between 9:00- 9:15 or earlier each Friday morning.

Thanks Banking Team
