In our Junior Learning Community we have introduced the CAFE Reading Program. This program is designed to increase skills in Comprehension, Accuracy, Fluency and the Expansion of vocabulary.

The students have been enthusiastic in organising and reading their Take Home Books. The Take Home Books and book bags live inside our cool new colourful boxes which the students are very excited about!

In our Inquiry unit we have been focusing on ‘My Community’. Here the students are learning about Australia and the features of our flag. The children got their hands dirty by scrunching and gluing paper to create the Australian Flag.
