PRINCIPAL'S NEWS

For the next month Mrs Van D. is on leave and I have been called in to help out the school by relieving here at Cranbourne P.S. Rest assured I have been a Principal for a long time including the last 22 at Courtenay Gardens P.S. in Cranbourne North, overseas in Pittsburgh for a year and another couple of years at Noble Park Primary School.

After spending so much time at Courtenay it is a nice change to get into another school to see how things are going. Rest assured your children are in the good care of some wonderfully caring teachers who I have already noticed put the children first. Your school's teachers work very hard to do the best possible with the school's programs and catering to the needs of the individual students. I have visited all year levels and seen the students working hard—especially with their writing. This is all a result of the teachers and the comprehensive planning of their programs across the school.

The school is humming along and the children have settled in well to the start of the new term. Lots will be happening over the next few weeks so have a look out for what is coming up.

Over the next three and a half weeks I expect to meet a number of you and your children. Come up and say 'hello'.

Till then a word of advice: Read, Read, Read—it is so very important.

Loretta Hamilton — *Principal*

Curriculum

Curriculum Day— Wednesday 20th April.

Students are not required at school on this day.

Next Wednesday is a Curriculum Day at Cranbourne Primary School. This is a professional learning opportunity for all staff.

We made a commitment to focus on improving the Teaching and Learning of Literacy, and most of the professional development that has taken place over the last 18 months has been centred on Literacy. We are extremely happy with the growth of our students, particularly in reading. Steady improvement is also being observed in students' writing, as we continue to improve the Teaching and Learning in that area of Literacy also.

Next week's Curriculum Day is going to look at how we can further improve in the area of Maths. Staff will be working with well respected educational consultants, to ensure that we are providing the most up to date and effective approaches to the Teaching and Learning of Maths, and therefore providing the students with maximum opportunity to achieve their best—in both Literacy and Numeracy!

Di Fernand

Assistant Principal

Dad's Night

When: 28th April

Time: 5:30 to 7:00pm

Where: BER and Basketball crt

Games, Sport, BBQ and Fun!!

Upcoming Events!!!

Parent Information Sessions

Reading at home with your child

When: Tuesday 24th May

Time: 10:00 to 10:30

OPEN NIGHT

20 April 2016

5pm - 7pm

Mount Erin College warmly welcomes you to visit our school. We pride ourselves on offering rich and challenging academic programs and opportunities.

Our \$9m Stage One Buildings opened in 2015 providing our students with state-of-the-art, 21st century facilities and a stimulating, flexible learning environment.

Excellent results in 2015 show Mount Erin College continues to be a high performing school in the region and validates the dedication of the school to provide success for every student.

The evening will begin in our new Auditorium for a brief presentation before a tour of the Design, Art, Technology and Science building (the DATS Centre)

Session A: 5.00pm

Session B: 5.45pm

Bookings can be made online via the College website, alternatively contact the college office on 5971 6000 to make a booking.

College Tours: To make a booking, call Barb Kershaw on 5971 6013
