PRINCIPAL'S NEWS

Welcome to Term 3. Families, students and staff have resumed the routine of school with an 8.50am start with responsibility and rigour, despite the unprecedented weather conditions.

We are looking forward to seeing parents next week to participate in the student progress discussions. This is a great opportunity to have a conversation with teachers about your child. Keep an eye out for your interview time.

The extreme winds and regular rain has been managed through alternate arrangements and supervision for students during recess and lunch times. Whilst our students are demonstrating responsibility wearing the appropriate uniform, there are a number of students attending each day without uniform jumpers or bomber jackets. Even if your child does not want to 'wear' their jumper to school, we ask you to encourage them to bring one in their bag for recess and lunch breaks as some children still need guidance in dressing appropriately for the weather.

FROM THE OFFICE

We hope you had an
enjoyable holiday!

A reminder to parents
that students are
dismissed at 3.15.

Lately we have had a
number of students who
have been kept waiting
until after 4.00pm. This
is unacceptable. Please
ensure that your child is
collected in a timely
manner.

The school does NOT
provide an after school
care service however
services are provided by
outside centres.

Application forms are
available at the office.

Curriculum

Friday 22nd July—CPS Curriculum Day

Students are not required at school on this day. Staff will be at school, involved in professional learning and development, focussing on the Teaching and Learning of Writing.

We are working with an educational consultant to support the staff's professional growth in identifying more specific ways to address the "delivery" of Writing as part of the curriculum. We are implementing a program called 'VOICES' which will help students to develop better vocabulary and writing skills, to help improve their pieces of writing.

Samples of students' writing are displayed in both buildings—please take the opportunity to have a look at these samples while you are here for Student Progress Discussions next week.

The Writing displays will change every 4—5 weeks, to reflect the genre that has been taught.

In our Maths sessions the past week, we were looking at Fractions. To help us understand fractions we did food maths. The students had a lot of fun and really enjoyed the learning but mostly the eating

SCHOOL BANKING FRIDAYS

Did you know you can
bank as little as 5
cents if you want to?

WOW!! That's great news,
thanks! What a great way
to learn to save a little
money every week with
Dollarmites!

If you'd like your child to join in with Dollarmites banking you can apply for an account with the Commonwealth Bank or ask at the Office for an Application Form. It is important to teach children to start saving at an early age. With Dollarmites they can choose an awesome prize once they have made 10 deposits!

banking will resume this week
