PRINCIPAL'S NEWS

Thank you to all the parents who attended and will attend student progress discussions with teachers this week.

This is a valuable opportunity for our community to acknowledge and celebrate individual student achievements.

If at any time in the future, the need arises please do not hesitate to contact your child's teacher/s to discuss areas of concern.

Your support at home, of your child's learning, is highly valuable and the school has made suggestions in your child's report of what you can do at home.

Developing skills in reading and writing are just as important as developing a purpose and understanding of their work. These are values that you can instil at home.

This term students will be learning how to write a procedure and an explanation, as well as continuing with different forms of poetry.

Procedural text

Instructs someone on how to do something.

Has a goal and steps to

Explanation

Explains how or why something occurs.

Explains a sequence (of events, cause & effect)

Student work will be on display in both buildings throughout the term — come in and have a look at the great writing being produced!

SCHOOL BANKING FRIDAYS

Did you know you can
bank as little as 5
cents if you want to?

WOW!! That's great news,
thanks! What a great way
to learn to save a little
money every week with
Dollarmites!

If you'd like your child to join in with Dollarmites banking you can apply for an account with the Commonwealth Bank or ask at the Office for an Application Form. It is important to teach children to start saving at an early age. With Dollarmites they can choose an awesome prize once they have made 10 deposits!

banking will resume this week
