\textbf{PRINCIPAL’S NEWS}

It is with disappointment that I inform our school community that we have been the target of ongoing burglaries. This weekend our school was broken into for the \textit{fourth time} this term.

Laptop computers, i-pads and desktops have been stolen during these break-ins.

This behaviour by members of our community is not only criminal—it is thoughtless and gives no consideration to the impact on our students’ learning.

We need our school to be protected—if you see ‘unauthorised activity’ inside our school after hours, please call ‘000’

If you have any information that may lead to the arrest of these thieves please contact the Narre Warren police station.

Curriculum

This week is Children’s Book Week.

The Children’s Book Council of Australia review and acknowledge Australian literature for children, and each year they announce the shortlisted books in line for awards. Students at CPS will be looking at some of these books during the week, completing activities and investigating the winners under each category. Visit their website cbca.org.au for more information.

Next week is National Literacy and Numeracy Week. This week is an opportunity to acknowledge and celebrate the importance of Literacy and Numeracy. Students at CPS will participate in learning opportunities throughout the week with an extra focus on Literacy and/or Numeracy.

The week will culminate on Friday 4/9/15 with our Dress Up Day and parade, where students can come dressed as something to do with Literacy or Numeracy.

Di Fernand
Assistant Principal
On the 17th August, students walked down to the Casey “Sports For All Centre” to participate in the Hoop Time competition. We had 4 teams competing. There were many other schools competing and the competition looked fierce, but we were not scared! We were willing to give it our best shot!

Shahid played in the rookie team and had this to say:
“It was a fun day and our team played well. There was just enough games to play so we didn’t get too tired or had to wait too long.”

Coady, who played in the All-Star Boys said “Basketball is the best. Even though we lost a few games we still tried our best. It was good that the rookies won ALL their games.”

Students were able to watch other games when they weren’t playing and were also able to catch up with friends from other schools.

The All-Star girls’ team won a basketball at the Awards Presentation.

The students thoroughly enjoyed themselves and recommended the competition to be more regular. Congratulations to all students who participated in the day’s events.
CPS is participating in the Woolworths “Earn & Learn” Rewards Program.

If you shop at Woolworths, you will receive a sticker for every $10.00 you spend. These stickers are then placed on sticker cards, and once a sticker card has been filled, they can be placed in a collection box.

We have collection boxes at the main office at school, as well as Woolworths Cranbourne Park and Selandra Rise stores.

Please place filled sticker sheets in the boxes. If you have loose stickers, hand them in to the school office and we will transfer them onto sticker sheets.

The more sheets we fill—the more points we accumulate to spend on resources for the school.

Please support our school by collecting the stickers whenever you or a family member shops at Woolworths.

The program is running from Wednesday 15th July to Tuesday 8th September 2015.

Head Lice

Following a number of reports we need parents to check their child’s hair for head lice and/or eggs.

We would ask that you inspect your child’s hair promptly, and if you believe your child has Head Lice:

- Notify the school of this
- Do not permit your child to return to school until treatment has been completed.

The only way to stop head lice spreading is to ensure you check your child’s hair regularly and ensure they are treated when head lice is found.

Thank you for your cooperation in this matter.
