The teaching and learning pedagogy at Cranbourne Primary School is developed on a **RECIPE** (Relevant Engaging Challenging Innovative Personalized Enjoyable) based curriculum that supports the members of the school community to develop intrinsic **PRIDE** (Persistence Responsibility Independence Discipline Enthusiasm) in their learning.

**PRINCIPAL’S NEWS**

Staff and students are heavily involved in bringing the school to life to celebrate Literacy and Numeracy week. Preparing displays, rehearsing scenes from books, dressing up as book characters and reading a variety of texts including jokes, poems and limericks have been included in our Literacy sessions. The senior students have assisted in creating book displays for the library.

The week will finish on Friday with our Book character dress up day. We welcome parents to attend our assembly on Friday at 2.15pm where students will have the opportunity to parade their costumes.

We are registered as a SunSmart school, and as such we align the wearing of hats with the dates set out by the Cancer Council. They recommend that we all wear hats from September to April, as this is the period when UV is at its most dangerous.

Students should now start wearing their hats for outdoor activities at school. Please ensure that your child has their school bucket hat with them at school, at all times, to enable them to participate in outdoor activities and play times.

Students will be given to the end of this week to have their hat at school. As of Monday, 7th September all students will be expected to be wearing a school council approved CPS bucket hat during outdoor activities. Any students without their hat, will be restricted to an undercover area.

Please ensure your child’s hat is clearly labelled with their name, to help them locate and identify their own hat. Finding student hats is not the responsibility of teachers—students need to develop responsibility for, and learn to look after their own belongings.

What a fantastic day we had at Science Works! The Middle and Senior students set off on Friday for a fun-filled day of action and adventure at the Science Works Museum in Spotswood. The students participated in a broad range of educational activities during the General Viewing sessions including weighing themselves to find their value in gold – some of our students were worth more than $3 million. One of the most popular activities was testing their running skills against Cathy Freeman – several students were very proud to discover they were able to beat Cathy in the race.

The senior students participated in a Lightning and Electricity show which was very informative.

The Middle school students attended a Simple Machines workshop which contributed to reinforcing the work they have been doing during their Investigation unit this term.

All in all it was a very interesting and educational day! Make sure you ask your child what they learnt on the day!
CPS is participating in the Woolworths “Earn & Learn” Rewards Program.

If you shop at Woolworths, you will receive a sticker for every $10.00 you spend. These stickers are then placed on sticker cards, and once a sticker card has been filled, they can be placed in a collection box.

We have collection boxes at the main office at school, as well as Woolworths Cranbourne Park and Selandra Rise stores.

Please place filled sticker sheets in the boxes. If you have loose stickers, hand them in to the school office and we will transfer them onto sticker sheets.

The more sheets we fill—the more points we accumulate to spend on resources for the school.

Please support our school by collecting the stickers whenever you or a family member shops at Woolworths.

The program is running to Tuesday 8th September 2015.

Junior Ranger Holiday Program

Point Nepean National Park and Coolart Homestead and Wetlands are hosting FREE Ranger led activities these holidays as kids become history and nature detectives.

Kids between 6 to 12 years old will discover the peninsula’s protected natural and historic places through Parks Victoria’s Junior Ranger program as they:

- Super-sleuth the stories behind historical grave-stones
- Walk in the footsteps of families who lived in historic mansions
- Listen for the sounds and imagine the life of a soldier in historic tunnels and gun emplacements
- Wade through wetlands as a water bug detective

All activities are free. Children must be accompanied by an adult.
Bookings essential from 11 September.
