PRINCIPAL'S NEWS

Friday was the colourful end to our Literacy and Numeracy week celebrations. Students and teachers joined in the rotation activities during the day and all enjoyed the parade in assembly viewing all the book characters who were at school for the day. Well done to everyone on their creative efforts in their costumes—Mr Peel made a great BFG. We kept asking Where's Wally? We had cubes and cards.

Cheryl Van Deursen
Principal

Quote of the Week

*'Today was great. Today was fun.
Tomorrow is another one'*

-Dr Seuss

PRINCIPAL'S NEWS cont.

Thank you to our Community Event committee for their organisation of our Dad's evening last Thursday night. Fathers, brothers, uncles, grandfathers and family friends joined our students to participate in an array of challenging and engaging activities kindly supported by the City of Casey 'Dad's Matter' program. A team of staff members served hot dogs and drinks, whilst others joined into some of the activities including a Double-Dutch challenge. It was a great opportunity for some of our Dads to meet each other and join in the fun. Thank you to all those who attended.

For more great photos of our special events, go to our website

Principal	Haley D (MLB)

FROM THE OFFICE

We would appreciate the **balance of this year's** Essential Items to be paid in full by Friday, 30th September. This small charge has included your child's books, stationery items, printing, computer consumables, ICT licensing and registration fees, art and craft requisites plus consumables for Science, Maths and Cooking!

We still have a lot of families that haven't paid this fee which means our school has had to cover the costs, this of course impacts in other areas.

We will be finalising next years costings in the coming weeks and would like to have this years payment finalised beforehand.

Curriculum—Homework

After Student Progress Discussions earlier this term, many teachers reported that parents were concerned that their child never had any homework. This is not actually true. The following points are taken from our Homework Policy:

Homework tasks will consist of the following:

- *reading (to/with/by a parent or independent reading, depending on age & ability of child).*
- *extension tasks associated with classroom activities.*
- *any uncompleted classroom work may be finished at home – this is left to the teachers' discretion.*
- *projects and assignments.*
- *research for upcoming topic/area of learning.*
- *follow up to current learning.*
- *open ended activities, rather than structured worksheet based activities.*

Homework should not be a worksheet of irrelevant, disconnected tasks. Rather it should be relevant and interesting, and related to the Teaching and Learning taking place at school.

Di Fernand
Assistant Principal

‘RANGEBANK PRESCHOOL’

RELAUNCH/10 YEAR CELEBRATION!!

To all those families whose children attended

RANGEBANK PRESCHOOL!

You are cordially invited to attend the RELAUNCH of the new playground and join with **Barbara** in celebrating her **10th** year!!

SATURDAY OCTOBER 15TH, 10AM-2PM AT THE PRESCHOOL!

Jude Perera MP, State Member for Cranbourne District along with The HON. Jenny Mikakos, Minister for Youth Affairs, family and children; will be the special dignitaries to officially open the newly revamped playground! Entertainment and food will be provided! Barbara looks forward to you all helping her celebrate this momentous occasion!

For more details please contact the preschool on **59964633!**

Saturday - - 10:00am to 1:00pm

PARENTING RESILIENT KIDS

We are inviting parents and their primary-school aged children to take part in a new online parenting program designed to provide parents with strategies to parent with confidence and stay connected with their pre-teen child.

WHAT IS THE RESEARCH ABOUT?

You are invited to participate in research being conducted by Monash University, led by Dr Marie Yap. The research aims to evaluate whether our new online parenting program can help empower parents and in turn build their child's resilience.

WHAT IS INVOLVED?

You will be randomly allocated to one of two groups, to receive either:

- 1) An individually-tailored, interactive online parenting program that will give you practical strategies you can use to parent your child more confidently;

OR

- 2) An information package of 8 weekly factsheets about child development and well-being.

- We will give you a 5-minute call once a week until you have completed your allocated program.
- We will ask both you and your child (if they agree to take part) to complete some online surveys at the beginning, and after 3 and 12 months.

In total, participation in this research will take a few hours of yours and your child's time over 12 months. To say thank you, you will be reimbursed with e-gift vouchers.

All components of the online program can be done using a computer, tablet, or smartphone.

WHO CAN PARTICIPATE?

Parents or guardians of a child aged 8-11 who live in Australia, are fluent in English and have internet access.

HOW DO I FIND OUT MORE?

To find out more, or to register to participate, please go to www.parentingresilientkids.com

For further details, please contact the researchers at med-resilientkids@monash.edu or on (03) 9905 1232.
