## PRINCIPAL'S NEWS

### Student Leadership.

Friday 30th October is our annual Senior Carnival. Our Grade 5/6 students are busy planning activities, publicising the event, collecting money and donations and organising prizes to support the day. They are very excited and working hard to ensure its success.

The money raised from the event goes towards the Student Leadership program at CPS, as well as supporting Grade 6 graduation.

The carnival is organised and run by the grade 5/6 students, helping to develop their organisational and co-operative skills, as well as complimenting their economics Unit of Investigation.

The carnival is only for students of CPS to attend. The entry fee is \$5.00 which provides students access to all activities and events. Donations of individually wrapped lollies or chocolates earns a raffle ticket, to be in the draw for prizes throughout the carnival.

We hope all students from Foundation to Grade 4 attend the Carnival, to show support of this great event.

## Curriculum

**Thank You!!**

Your support of the Woolworths Earn and Learn Program this year enabled us to receive over **11,200 points** to spend at Modern Teaching Aids. This allowed us to purchase resources to support our Maths and Geography curriculum areas. The resources will arrive in term 1 2016.

Without the support of our families achievements like this would not be possible for our school—so thank you for your great support of the program. For a small school such as ours to be able to collect over 11,000 stickers was an amazing accomplishment—so well done!!

### Bullying!

Bullying can be a problem in many schools, and can be the cause of anxiety, stress, and apprehension of attending school for many students. It is important that we all have the same understanding of what bullying is, so that we can work together to support our students, if bullying occurs.

Bullying is **not** 'one off' incidents in the playground, where students may have a disagreement over rules of a game, taking turns on play equipment, sharing toys, or playing with each other. Bullying **is** ongoing, repetitive behaviours, actions or words, over a period of time. Bullying is not acceptable at CPS, and we work hard to deal with issues as they arise. If you feel that your child is being bullied, then please speak to the teachers in your child's learning community.

As parents we want to protect our children from situations that may cause them anxiety or stress. However, it is important to remember that we want our children to develop into responsible, independent members of a community, and to do this they need to be able to work through conflict, learn to compromise and get along with others. So the "occasional" conflict can help them to develop these traits and help with a child's social development. These issues can be used to help children to work out compromise, resolution, develop resilience and empathy. Please speak to your child's teachers if you would like any advice on how to help your child with this area of their development.

## FREE DRESS DAY

### Gold Coin Donation

Junior School Council is running an “out of uniform” day to raise money to purchase bicycles and helmets for our Bike Ed program.

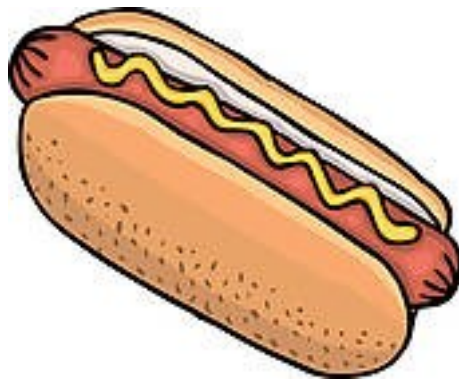

School dress rules still apply in relation to flat shoes with closed heels and toes, shoulders covered, no jewellery or makeup and school hats must still be worn for outdoor activities.

Gold coin donation is required for your child to attend school out of uniform.

# Hot Dog Day
