PRINCIPAL'S NEWS

Congratulations to our senior students and staff on the

Carnival last week - the students who participated had a wonderful time whilst the senior students demonstrated excellent leadership skills.

Monday was a busy, yet challenging day as staff managed to deliver an engaging program for the 115 students who attended.

As we are moving into the second half of term 4, please be aware how important your child's attendance at school is. Staff are collecting formal and informal assessment data to consolidate student achievement levels to include in their end of year reports.

2017 Transition

As we quickly approach the end of this school year, we are already making plans for 2017. Staffing, resources, and organisation of learning spaces are just a few of the areas that need careful planning and consideration.

Transition of students is also a key component of future planning. We want to ensure that students have a smooth transition from their current learning community to next year's area. We will be running some transition sessions later this term to help students with this. For some students, the end of a school year, and the prospect of a new one can be daunting. Running a Transition program will help to alleviate some of the anxiety, fear, uncertainty for many of our students.

Families can help with this by discussing aspects of school with children—what are they looking forward to, what are they worried/excited/concerned/curious about for 2017? If you are concerned about your child and their feelings regarding 2017 changes, please speak to your child's Home Group teacher.

Working together to support school-aged students on the autism spectrum

Free two day workshop for parents and carers

Workshop: 16-17VICCOPC2

Location: Frankston VIC

Like all school-aged students, young people on the autism spectrum benefit from strong, positive relationships between home and school. Positive Partnerships use evidence based materials and practical resources to help support these relationships by facilitating workshops for parents and carers.

This workshop is suitable for parents, full time carers and grandparents.

What will you gain?

The Positive Partnerships parent/carer workshop intends to:

- Increase understanding of the impact of autism on learning
- Introduce a planning tool that can be used to share an understanding of your young person
- Explore ways to work in partnership with your school
- Share information about how to access support both inside and outside of school
- Highlight the policies, system and processes that contribute to the educational environment
- Increase your capacity to maximise your young person's learning at home and at school
- Provide an opportunity to network and share strategies with other parents/carers
