### PRINCIPAL'S NEWS

I am very excited to announce to our community that we have received confirmation that the following projects have been approved for support from the department

1. Repairs to the cracking and structural movement of the Admin block
2. The construction of a new entrance to the front of the school that will be disabled friendly.
3. The removal of all asbestos currently in the school—this is part of the government commitment to have all schools asbestos free by 2020.

Whilst it is anticipated the majority of this work will be done over the Christmas holiday period, we will endeavour to keep you informed of any alternatives or restrictions to access of the building, especially the office area.

# ROAD WORKS

We would like to inform our community of the following information concerning the road works currently being undertaken at the Cameron St/Sladen St roundabout. Please read carefully as the planned road closures will affect our school over the next two weeks.

Whilst laying the new road surfaces, which will commence on Monday 14th November, sections of the road will be closed off and detours will be set up.

The Cameron St end of Childers St and the Cameron St end of Bakewell St will be closed off between the hours of 9.30—3.00pm, restricting entrance and exit for a couple of days.

Please ensure you follow the detour signs.

## Curriculum

### LOTE—Auslan

AS part of our curriculum, we have included Auslan as our LOTE subject (Language Other Than English). This has been a great success and students have enjoyed learning how to sign. So far they have learnt greetings, colours, family members and the alphabet, and how to ask and answer simple questions.

We are very excited that students will be performing a song at our end of year performance, where they will be signing and signing. Students in Foundation—Grade 2 will be performing 'I can Sign a Rainbow' and the Grade 3—6 students will perform 'What a Wonderful World'.

If you would like to practise the signs with your child at home, there are videos on our school website [www.cranbourne-ps.vic.edu.au](http://www.cranbourne-ps.vic.edu.au) to assist with this.

positive partnerships

Working together to support school-aged students on the autism spectrum

## Free two day workshop for parents and carers

**Workshop:** 16-17VICCOPC2

**Location:** Frankston VIC

Like all school-aged students, young people on the autism spectrum benefit from strong, positive relationships between home and school. Positive Partnerships use evidence based materials and practical resources to help support these relationships by facilitating workshops for parents and carers.

This workshop is suitable for parents, full time carers and grandparents.

### What will you gain?

The Positive Partnerships parent/carer workshop intends to:

- Increase understanding of the impact of autism on learning
- Introduce a planning tool that can be used to share an understanding of your young person
- Explore ways to work in partnership with your school
- Share information about how to access support both inside and outside of school
- Highlight the policies, system and processes that contribute to the educational environment
- Increase your capacity to maximise your young person's learning at home and at school
- Provide an opportunity to network and share strategies with other parents/carers

### Workshop details

**Venue:** Frankston Arts Centre  
27 – 37 Davey Street  
Frankston VIC 3199

**When:** Two day workshop – Tuesday 15 and Wednesday 16 November 2016
