PRINCIPAL'S NEWS

As part of our preparations for 2017, we have been preparing our students for transition into their new learning communities.

Each week, students have been physically moving into their 2017 groups and working together on the development of peer collaboration and respectful relationships.

We are also moving into 'end of year' processes at school. This involves preparing for Graduation, Community Concert, Transition and, in some cases, moving to new schools.

Whilst attending a presentation this week about 'safety' I was impressed with the availability of a new 'FREE' app called 'Emergency +' This app provides access to emergency service providers ie police, fire, ambulance, SES but links into your 'location' of your phone and provides a geographical location to the service provider. This is an outstanding app that you might consider downloading on your phone and then teach your child/ren to use it 'responsibly' in the case of an emergency.

Curriculum

Grade 6, 2017

As the end of the 2016 school year approaches, teachers in the Senior learning community have been working with our current Grade 5 students to prepare them for Grade 6.

A lot of this work revolves around developing leadership skills in the students. Regardless of whether a child receives a 'title' of school leader, all students in Grade 6 are leaders within the school.

Grade 5 students are given the opportunity to 'apply' for leadership positions, such as school and house captains, but there are many other 'leadership' opportunities available to students besides these.

We are looking forward to working with our leaders for 2017.

Students in Grade 6 also have the opportunity to wear the special polo shirt and bomber jackets. These can be ordered at Beleza, Cranbourne. Orders close FRIDAY 2nd DECEMBER, at 5.00pm.

From the Art Room...

What an amazing semester of work our students have produced, I'm so proud of every student's effort this year. We truly have some gifted artists here at Cranbourne Primary School.

Our students have been producing brilliant paintings inspired by artists of the past as well as the world around them, especially the seasons. Students have also been exploring design and construction and I can't leave off without mentioning the vibrant and inspiring work our seniors have produced as a response to Pop Art.

Their work is on display in the corridor of the main building for you to enjoy!

Goodbye primary school, hello secondary school

By Michael Grose

The end of primary school is a significant milestone in children's lives. They've spent half their lives in primary school, in many cases in the same school, which is significant.

Looking back

This is a time for kids to celebrate their achievements; show appreciation to their teachers and enjoy the friendships that they've formed. Here are three ideas:

1. Let's celebrate

Primary school graduation ceremonies play an important part in the primary school life, as they mark the end of an era and the start of a new part of their lives. We need to be careful that the meaning doesn't become lost as graduations become increasingly lavish, even to the point where some students are transported to their graduation in a stretch limo. *Keep them simple and keep them close to the school's values.*

2. Show gratitude

As a former teacher I know how much a simple thank you can mean from students at the end of the year. So make sure your kids take the time to thank their final year teacher and as well as seek out to thank other teachers who contributed to their education over their primary school journey. *Gratitude costs nothing but has a great impact.*

3. Enjoy friendships

Encourage your kids to be open and friendly at this time of the year, and steer clear of cliques and fellow students who want to exclude others from their groups. The end of primary school can be tricky to navigate, particularly when early maturers stick together and ostracise certain classmates. *This is the time for friendly behaviour and inclusiveness.*

Looking ahead

Here are three ideas for you to help kids make a smooth adjustment:

1. Promote friendships The quicker kids form new friendships the sooner they'll feel comfortable in their secondary school surroundings. Encourage your young person to be open to forming friendships with all sorts of kids; to be accepting of others who may be different to them; to take social risks by joining in activities even though they may feel uncomfortable; and to be friendly, approachable and positive!

2. Be ready to listen Patience and understanding in the early weeks is essential. Brush up on your listening skills as you help your young person adjust. Talk to your young person about change and reassure them that it's normal to feel unsure or nervous in new circumstances. Let them know that many difficulties they face will be temporary.

3. Keep your attitude positive Confidence is catching so make sure you see this transition time as an exciting challenge that your child can handle rather than an event to be feared. Ask them about the new subjects or interesting activities they are doing, and try to shift their focus to the positive aspects of school. Discuss settling in issues with the appropriate person such as a year level coordinator, but give your young person time to handle them on their own before seeking help.

AFTER SCHOOL CARE INFORMATION

Please note that here at Cranbourne Primary the school day finishes at 3:15pm. Please ensure children are collected promptly as Yard Duty Supervision finishes at 3:30pm. If you are unable to collect your child by this time, you will need to make alternative arrangements. We do not offer after school care on site however after school care is available from Judy Clarkson Cranbourne Day Care and Kindergarten Centre or Westernport Child Care Centre.
