PRINCIPAL'S NEWS

Congratulations to Maali A, from our Middle Learning Community, who was presented with a **Casey Community Spirit & Leadership Award** on Monday evening at the Cranbourne Community Theatre. Students from 40 schools within the Casey area were acknowledged for their contribution to school, local and global communities by Anthony Byrne MP. We are very proud of Maali for her fundraising efforts in support of families experiencing financial hardship, leading up to the holiday period.

We were also very proud of our

Grade 6 students on Tuesday evening, as they accepted their certificates for Graduation. Congratulations to those students who were presented with awards. I am sure that the families who attended the ceremony would like to join me in thanking the staff from the senior team and the specialist staff who contributed to the

preparations. The highlight of the evening was, without a doubt, the dance where students danced with their parent. It was lovely to see so many smiling faces.

Cheryl Van Deursen
Principal

Congratulations.

Quote of the Week

'Be safe and careful over the holiday period'

As the end of the year draws to a close, we will be bidding some staff members farewell. We wish the following people all the best for their future and thank them for their contributions to Cranbourne Primary School.

Bec Houlder and Lisa Smith will be leaving us to commence maternity leave.

Samantha Lovegrove will be leaving us as she has accepted employment at Pakenham Consolidated Primary school, commencing in 2017.

Denise Lloyd will be finishing her work with us as she begins a career change.

Andree Rodwell will be leaving us to return to her previous school.

We will be welcoming some new staff members in 2017. Letters of introduction will be sent home with your children on Friday afternoon following their final transition session, where they will meet their teachers.

We are delighted to inform the community that we will be running four specialist programs in 2017 - PE, ART, ICT, and MUSIC. Students will have one hour each week in these subject areas.

As our specialist program grows, so too will our 'extra-curricula' activities. Staff are currently collaborating on program content, considering the expansion of our choir, adding instrumental practice and broadening options within the ICT field.

Keep your eyes open for updates in next year's newsletters.

We would like to wish all of our families a safe and happy holiday period.

For those families who celebrate Christmas, we wish you all a Merry Christmas.

We look forward to seeing you all next year.

The 2017 (grade 1—6) school year begins on January 31st.

Please find below the 2017 term dates

*We are looking forward to seeing our families at the **End of Year Concert** on Thursday night. The students have been working hard to prepare their singing and dancing skills. This will be an opportunity to show case our new stage area which overlooks the oval and provides a wonderful setting for performances.*

2017 school term dates:-

Term 1: 31 January to 31 March

Term 2: 18 April (Tuesday) to 30 June

Term 3: 17 July to 22 September

Term 4: 9 October to 22 December

	Jay W
	Madison F
	Daniel M
ART	Zahra H (MSB)
ICT	Dryden B (MLB)
PE	Sarah P (MTB)
Assistant Principal	Holley (STD)
Principal	Maali A (MSB)

Curriculum

On Friday, your child will be bringing their Semester 2 Student Report home. This report gives you an overview as to what they have been able to achieve during the second semester this year.

Your child's teachers in 2017 will use the information in this report, along with assessments completed at the end of this year, and early next year, to help set individual learning goals with your child.

If, due to family circumstances, you require a second copy of your child's report, please confirm this with your child's teacher, and we can arrange for another copy to be sent home.

I would like to wish all of our families a safe and happy holiday and I look forward to working with you all again next year!

Singing in a choir stimulates the mind, imagination and spirit, with research showing it has a profound affect on a child's general learning of literacy and numeracy. Our curriculum provides many different activities to develop the enjoyment and confidence of young singers and the opportunity to meet .
