Friday, 4th March

Whole School Beach
Excursion 9am-3pm

PRINCIPAL'S NEWS

As you would be aware there have been many schools around Australia who have received phone threats of various types.

We have recently refined our school Emergency Management Plans to ensure your child's safety at school. We will be rehearsing a 'lockdown' and an 'evacuation' scenario during the following week.

A lockdown would be used in any event where there is an 'external' threat. (e.g. *unsafe people, gas leak*) The process is to ensure all students, staff and visitors are locked within the buildings and no external access is allowable.

An evacuation would be used where safety within the school was at risk. (e.g. *fire, bomb threat*) The process is to collect all the students, staff and visitors and escort them from the grounds to a 'safe' place.

Whilst we do not want to cause distress in our staff or students, it is important to teach the children what to do in an emergency.

We appreciate your support in the process. If your child reports to you that we have rehearsed an emergency response, you can support them by

discussing it calmly and thoughtfully.

Cheryl Van Deursen

	Ebony H
SENIOR	Banin H
	Emily P
	Wilhemena O
Art	Manik S (MTB)
Physical Ed	Naite T (FSP)
ICT	Dylan R (JBH)
Assistant Principal	Bailee W (FER)
Principal	Kynan J (SSL)

Curriculum

Reading at home!

Reading at home is the major focus of our Homework policy. It is vital that our students develop their reading ability—both in decoding the words and understanding what they are reading. We expect all children to be reading at home every night, and student diaries need to be signed by a parent/adult to confirm that the child has read each night.

We will be commencing our “10 Nights of Reading” Raffles again this year. This will begin in March. Once a student has 10 nights of reading signed in their student diary, then they receive a raffle ticket for their respective year level. Raffles are drawn at fortnightly school assemblies.

Teachers work with each student to set individual reading goals, as well as to select an appropriate “Just Right Book”. These are books that are at the right level to allow your child to practise the skills and goals they are working on, but also challenge them to extend their learning. The book that your child brings home to read with you is their “Just Right Book”.

If you have any questions about how to read with your child at home, please speak to your child’s home group teacher.

FROM THE OFFICE

Thank you to the parents who have already paid! 2016 Essential Items - payment is due next Monday, 29th February. You can pay by cash, eft at the office, over the phone or using one of our payment envelopes. For direct deposit:

Assistant Principal

Physical Education

Physical education is a vital and integral part of a child's development. In primary school the children participate in a wide range of individual and group games, sports and recreational activities. We promote 100% participation with the aim of developing sporting skills and positive social attitudes. By developing physical skills children gain self-awareness and confidence, which will help them make the most of life's opportunities.

We would encourage all parents to take some time out with their children to practice sporting skills and improve fitness and wellbeing.
