PRINCIPAL'S NEWS

Last week we were delighted to be entertained at assembly by our Junior Learning Community who enthusiastically and energetically performed a song & dance. Please keep your eyes and ears open throughout the year for further performances.

We wish to recognise the parents who have been elected to our School Council. Our new school council parents are: Belinda Moore, Scott Skewes, Annitta Macauley, Nicole Agussol, Rachel Davenport and Alison Poore.

We would like to thank two retiring members - Jenni Lorne who is stepping down from the role of the School Council President. Jenni has worked tirelessly behind the scenes and has served the school for the past 5 years, supporting fundraising and policy development. Jenni was strongly involved in the school review and has worked diligently to pursue government grants and support. Jenni was also actively involved in the establishment of our new school logo and uniform. We thank Jenni for her dedication and work at Cranbourne Primary School and we wish her and her family all the best for the future.

Maryelle Gillett has also left the school council after a long period of service. Maryelle worked closely with Jenni in the fundraising committee to raise money spent on the improvement of the school grounds. Raised funds over the years have been spent on: building the golf course, purchasing sporting shade covers, developing gardens and our latest improvement which is to be completed shortly - an upgrade of the playground areas.

Parent input into school council and fundraising contributes to our school community.

Cheryl Van Deursen

Principal

Quote of the Week

"WE LEARN BEST BY DOING"

HAPPY BIRTHDAY TO OUR MARCH BABIES!

Ishnoor S

FROM THE OFFICE

Thank you to those parents who are making regular instalments on their children's school fees. They will be completed in no time! If you made an arrangement to pay your school fees off please continue to do so.

If you are eligible for the CSEF payment and have not yet applied please come to the office with your Concession card for an application form.

Remember you can make a direct deposit to the school account using the details below.

Curriculum

As term 1 draws to a close, I would like to acknowledge all of the great work that has been completed this term. It has been a short yet very busy term that has had lots of interesting and exciting things taking place. Staff and students have worked extremely hard to settle into routines within each learning space, and to create positive attitudes to learning.

Teachers were very busy during February completing assessments to acquire accurate and up to date information on each student, as to their level of ability. This has enabled students to be grouped for reading and Maths to complete learning tasks that are at their point of need. This means that students are being taught at their appropriate level.

Some of the special events that took place during term 1 include Life Education van, Kaboom Sports and a whole school excursion to the beach.

Next term is promising to be just as exciting and engaging. Teachers are already busy planning and preparing for the Units of Investigation planned for term 2.

Please remember to continue reading with your child during the term 1 break. Students will not be bringing home Take Home books for the holiday period, but we encourage you to read appropriate material found at home or visit the local library.

Di Fernand

Assistant Principal

Junior School News

Last Friday the Juniors had their first performance at assembly. They had practised for weeks and did an amazing job at singing and dancing in front of their audience. Thank you to all of the parents and family members who came to cheer them on and share in our excitement. The Junior teaching team are really proud of how well they did and are excited for our next performance early in term two.

Just a reminder that we are trying to encourage the juniors to be independent when coming into school. It would be great if you could help us by dropping your children off and encourage them to come into the learning space independently, unless you need to speak with us.
