PRINCIPAL'S NEWS

During yesterday's Curriculum day, our staff worked together to reflect, discuss and forward plan areas of the Curriculum, including our literacy program. They also worked together to further develop and refine the resources that are used within our school. These are important processes that contribute to the provision of your child's education.

I would like to take this opportunity to recognise Gary Peel who has been nominated in 'A day made better'.

'A Day Made Better' was started by OfficeMax in the United States in 2007 and seeks to recognise the contribution of teachers who go above and beyond the call of duty.'

We certainly value the 'above and beyond' that Mr Peel puts into Cranbourne Primary School every day. This week he has spent time re-painting the basketball lines for our students – thank you Mr Peel. We would also like to thank all the parents who took the time to complete the surveys over the past few weeks – this information will be helpful to the development of the Strategic Plan being developed this year to set the direction of the school over the next four years.

Congratulations to JMC who had 100% attendance on four days of last week – well done on being organised and responsible!

Cheryl Van Deursen
Principal

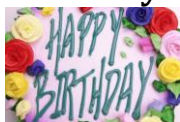

House Points

CURRICULUM

Assessment and Reporting

As we approach the end of our first semester (Terms 1 and 2), teachers are finalising Student Reports, in preparation to be sent home to you. These reports provide an overview of what the students have been covering in the different curriculum areas.

Your child's report will provide you with an up to date record of what your child has achieved so far this year, what their areas for improvement are, what the school will put in place and what you can do at home, to help your child achieve their learning goals. The report will also indicate at what level your child is achieving, in relation to AusVELS curriculum guidelines.

Teachers will be available for Student Progress Discussions, where you can discuss your child's achievements and future learning. Please keep in mind that these sessions are only 10 minutes duration, and to ensure that the teachers keep to their schedule, ensure that you arrive punctually. If you feel that you may need longer than the allocated 10 minutes, discuss with your child's Home Group teacher the possibility of arranging another meeting on an alternative date.

Today you should also receive the 'Student Progress Discussions' letter, for you to identify your preferred times for a meeting with your child's Home Group teacher.

Parents of Senior students (Grades 5 & 6) will also receive a letter regarding amendments to the Assessment and Reporting timeline, specific to that learning community.

Please make sure you receive all relevant information from your child this afternoon. Copies of these letters are available on our website or from the school office.

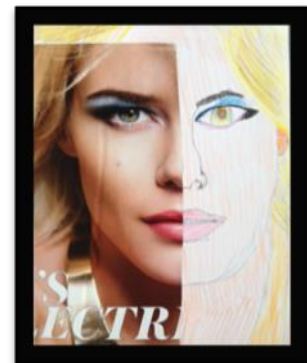

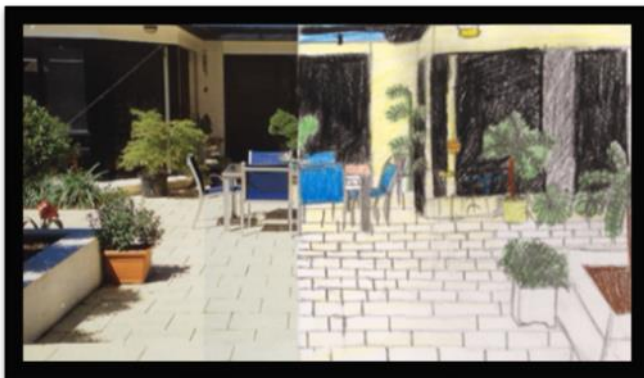

Di Fernand – Assistant Principal

STUDENT NEWS

Visual Arts – Senior School

The students in Senior school have been working on their drawing skills. Each student selected a picture from a magazine they thought they would be able to reproduce. A section of the picture was removed and the remaining piece was glued onto white paper.

Students were then required to complete the picture by drawing in the missing section. To complete the drawing they also need to match the colours as closely as possible. Below are some fantastic examples from Senior school students.

COMMUNITY NEWS

Thank-you to all the families and friends who have shopped at the Good Guys and earned donation credits to support our school. Remember every time you shop at Good Guys, ask for your Cranbourne cash credits to go to our school.

School Uniform Reminder!

Bomber jackets and windcheaters with yellow bands and the old logo are no longer part of our school uniform and should no longer be worn. New items with our new school logo can be purchased from Beleza.

Please note: "Hoodies" are not part of our school uniform.

Thank you to all our families and friends who have been purchasing products at The Good Guys – our school has accumulated over \$4000 to spend on supporting the Well Being of the school.

Past purchases have included fridges, microwaves, toasters, kettles, etc. for supporting the Breakfast club, Science and cooking programs.

STUDENT ATTENDANCE:

REMEMBER – Literacy starts at 9.00am. Your child's learning in every subject is impacted by their literacy capabilities. If your child is absent or late, their access to the daily literacy session is impacted.

Aim for being ON TIME every day!
