### PRINCIPAL'S NEWS

#### PARENT HELPERS

Parent support is provided around our school in so many ways and has such a valuable impact on our students. Some parents attend regularly to support and encourage our students to read regularly. They join the learning communities at school during the Literacy hour each morning from 9-10 and provide 1:1 time to read with students. Other parents and grandparents volunteer around the school to support; school council, PTA, mother's day and father's day stalls, school banking, working bees and fundraising. A special thanks to Jenni L, Maryelle G, Mark C, Maria D who supported this week's barbecue fundraiser at Bunnings on Saturday. If you are already a volunteer – we ***thank you*** for your time and support.

If you are interested and available to be a volunteer in any capacity (in the classroom or doing other jobs at the school), please contact the office as we would love to have you supporting our school.

# MIDDLE LEARNING COMMUNITY

During learning time in the Middle Learning Community we often have choices as to how and where we would like to learn. Our choices are based on our preferred way of learning.

We can choose to sit together at one of the round tables.

Some of us prefer to sit on the floor.

Or we can sit at one of the tables around the room.

At other times we might be learning with the help of one of our teachers.
