Parents please note that school finishes at 3.15pm. The school does not offer on site before and after school care, therefore we ask that you collect your child/ren promptly. We have an arrangement with Westernport Child Care and Judy Clarkson. Both of these centres offer before and after school care, with a drop off and collection service from within the school grounds. We thank you for your co-operation in this matter.

CURRICULUM

Education Week

The official DEECD dates for Education Week this year are 18 – 24th May. As this was the week our school had camps for Middle and Senior school students, we decided to hold our special events this week.

The theme for this year's Education Week is "Scientists do Amazing Things". Our Open Evening tomorrow (5.00 – 7.00pm) will include some science activities, as well as Art and ICT based activities.

The teachers here at CPS work very hard to provide interesting, engaging and challenging activities and lessons to ensure that our students are given every opportunity to achieve their full potential. Special evenings such as our Open Evening tomorrow are an opportunity for parents and carers to experience the types of learning activities provided to our students.

Tomorrow evening will also be a great chance for your child/ren to "teach" you a thing or two. Children love to share their new found knowledge with you and what better way than for them to complete learning tasks with you!

Our quote this week, 'We achieve more as a community than as an individual' is certainly true here at CPS. When we work together as a community we can offer so much more to our students. Attending special events here at school shows our students that the school and their families are working together to help them, and confirms that we are all working together to help them be the best they can possibly be.

STUDENT NEWS

MIDDLE LEARNING COMMUNITY

What a wonderful time we had on camp last week!! The weather was fantastic and all the students enjoyed themselves while participating in activities such as the flying fox, canoeing, archery, trampolining and hut building.

Some of the huts were very secure. We had some very talented archers as well.

We would like to offer a very big **THANK YOU** to our wonderful parents who attended and assisted at camp.

As a bonus we were able to take a walk to the local railway station and were lucky enough to see Puffing Billy and learn about the history of the train.

COMMUNITY NEWS

Thank-you to all the families and friends who have shopped at the Good Guys and earned donation credits to support our school. Remember every time you shop at Good Guys, ask for your Cranbourne cash credits to go to our school.

School Uniform Reminder!

Bomber jackets and windcheaters with yellow bands and the old logo are no longer part of our school uniform and should no longer be worn. New items with our new school logo can be purchased from Beleza. Please note: "Hoodies" are not part of our school uniform.

Thank you to all our families and friends who have been purchasing products at The Good Guys – our school has accumulated over \$4000 to spend on supporting the Well Being of the school.

Past purchases have included fridges, microwaves, toasters, kettles, etc. for supporting the Breakfast club, Science and cooking programs.

STUDENT ATTENDANCE:

REMEMBER – Literacy starts at 9.00am. Your child's learning in every subject is impacted by their literacy capabilities. If your child is absent or late, their access to the daily literacy session is impacted.

Aim for being ON TIME every day!
