Holiday

Principal's News

Upcoming Events:

We are looking forward to our **Cross Country** event. On Monday 6th May, between 11.30 and 1.00pm, students in Grades 3 – 6 will run the marked track around the perimeter of the school. Parents are welcome to attend and offer their cheers of encouragement.

Book Fair will be in the Library during the week commencing May 20th. This is a great opportunity to expand your family libraries with books that your child/ren have selected.

During the month of May your family has an opportunity to participate in a great literary competition. Please look closely at the flier included with this week's newsletter.

Cheryl Van Deursen – Principal

House Points

- 1st Cameron
- 2nd Bakewell
- 3rd Childers
- 4th Russell

**Congratulations
Cameron**

School Banking:

School Banking is every Friday. Please make sure your student hands their bank book to their teacher each Friday morning.

Woolworths Earn and Learn Stickers:

Cranbourne Primary School is collecting Woolworths Earn and Learn stickers. Please put the completed sticker sheets in the box at the office or the box at the Cranbourne Shopping Centre marked with our school name.

CURRICULUM NEWS

Reports on Student Progress

Our teachers are continuously involved in the ongoing assessment and review of student progress and goal setting. This involves professional discussions, moderation, assessment tasks, extension and revision. All of this information is then shared with you, the parents and carer of our students, in the form of a written report.

Parents receive two written reports each year, at the end of each semester. You will receive Semester 1's report in the last week of this term. Your child's report will inform you about what they have achieved so far, areas for improvement, what you can do at home and what the school is going to do to assist in their progress.

The report is a combination of progression points to show where each child is currently achieving, and comments developed by the teachers that relate directly to your child and their learning.

This semester's report will look similar to past reports you may have received, but it will reflect the change over to AusVELS – the new curriculum that is leading to a National Curriculum. AusVELS is a combination of the new curriculum for English, Maths, Science and History with VELs for other curriculum areas.

We will provide you with more information later this term.

Di Fernand - Assistant Principal
