Principal's News

Next Friday, 7th June is a Curriculum Day at Cranbourne Primary School. Students are not required at school on this day

Curriculum days are opportunities for the whole staff of a school to undertake Professional Development together. This maximises the impact of what is being investigated, on the whole school community. It enables our staff to participate in professional discussions and growth together, to ensure that we are providing the best learning opportunities for our students.

Our Curriculum Day is an opportunity for our staff to work in their learning communities to investigate areas of Teaching and Learning that are relevant to their particular area.

Some of the learning activities planned for our Curriculum Day are:

- Ⓢ Visiting other schools to investigate different methods and learning initiatives that may benefit our school community.
- Ⓢ Researching initiatives and Teaching and Learning approaches from international sources.
- Ⓢ Long term planning for particular levels within the school.
- Ⓢ Short term curriculum planning for learning communities.

Our ongoing Professional Development sessions will provide opportunities for staff to share and discuss their experiences from the Curriculum Day and for us to continue planning for the future learning of Cranbourne Primary School.

CURRICULUM NEWS

What a fantastic response to our **Book Fair** this year! Thank you to all those families that visited the library last week to purchase books and items. Your support of this event is a positive sign that reading is highly valued by our community. Remember to encourage your child to read regularly and from a variety of materials. It is also important that children understand that they read for many different reasons – enjoyment, research, learning a skill, following instructions or a procedure.

Your support of the Book Fair resulted in total sales of **\$2540.00**. Our school received a commission of **\$762.00**. Mrs Pedic has been busy selecting books to purchase with the commission and these should arrive at school soon.

We would like to congratulate the following students who were lucky enough to win the raffle from the Book Fair:

- 🎉 Michael (PAM)
- 🎉 Brodie (JBA)
- 🎉 Asel (MLB)

Each winner received a voucher to spend through our Scholastic Book Club order. Keep reading!!

STUDENT NEWS

Personal Development & Special Events

In Personal Development this term students in the Junior Learning Communities have been learning about road safety and how to be safe in vehicles.

The Middle and Senior Learning Communities have been learning about being cyber safe and how to make a difference if they are aware of bullying issues.

The Education Week Science rotations were a terrific success. Thank you to all the parents who attended and the staff for running such a successful day.

Congratulations to Mr. Peel and the Special Events committee for organising the day.

Congratulations to the Grade 3- 6 students for participating in the Cross Country trials. Students showed their persistence by running around the school to achieve their personal best.

Congratulations to those students who represented our school at the District Cross Country held at Cranbourne Race Track on Wednesday the 22nd May. Our school came 1st in their group.

If you have any dress ups, toys or games you would like to donate to the Personal Development room they would be greatly appreciated. 😊
