## Principal's News

Our staff have been very busy over the past couple of weeks drawing on all the information they have collected during semester One to write student reports. These reports will reflect your child's progress and will be sent home on Monday 25<sup>th</sup> June 2012.

Today you will be receiving information about the upcoming dates and times available for these discussions – please make sure you take the time to return your form. This will be a wonderful opportunity for you share your child's progress.

Welcome back to our senior students who have been at camp this week – they had a wonderful time at Ace Hi Camp and we look forward to hearing their stories over the next few days.

Student safety needs to be a high priority at school. We need your assistance to do this. When on school premises, unless you are assisting in a Learning Community during instruction time, please **do not** approach or communicate with any students other than your own child in the yard. Any issues or concerns should be brought to the office and dealt with by members of the leadership of the school.

Our staff are always approachable about any concerns you have about your child's academic or well being needs.

## **CURRICULUM NEWS**

### Woolworth's Earn And Learn

Cranbourne Primary School is registered with the Woolworth's school reward program, Earn and Learn. This is a program that provides educational resources to participating schools, depending on the number of stickers collected.

Remember to collect the stickers whenever you make purchases at a Woolworth's supermarket. Then you can either place the stickers you have collected on the sheet provided by Woolworths yourselves, or you can send the stickers to school.

Please support our school – the more stickers we collect, the more resources we receive to support our students and their learning!

### Parent/Teacher Interviews.

(Now referred to as Student Progress Discussions). You will receive a pink letter regarding this process today. These discussions are an excellent way for the school and parents to communicate regarding student progress and goal setting for future learning. Please do not miss the opportunity to discuss your child's progress with their Home Group teacher.

## Skills, Fun & Play Session

Last week, the Junior and Middle schools were involved in a basketball clinic. The Middle school were able to work 1 on 1 with a Basketball Victoria student, developing a partnership with them while learning valuable ball skills. The Junior school worked as a team to learn and develop their basketball skills. Their sessions were finished off with some fun games with their classmates.

Below are some photos of the clinic, along with some comments from Middle school students.

- Mrs Biram

"I trained with a person who was from a basketball program. It was fun and good exercise for me. I hope that they come back to our school and keep us exercising".

*By Jade Toleafoa*

"Yesterday I went to sport and some basketball students taught us how to play. My buddy Scott taught me the easy ways for everything. I liked sports yesterday and I hope they can come back".

*By Chris Saba*

"Yesterday I did basketball with a girl named Jess, 2 boys named Matt and Jeff, and Darcey from my class. We did slides, shooting, passing, seven's and popcorn. My favourite was blocking them from shooting. It was so much fun".

*By Belinda Hardy*

"On Thursday, my cousin Machel (from Basketball Victoria) and I went and trained. She was my coach. I had fun shooting and defending with her. We played Around the World and it was really fun. I want to play basketball".

*From Shanelle Toleafoa*

"At sport, I played basketball and had 2 coaches. I played shooting games, did ball throws while clapping and dribbling. I got a 'swish' goal on my second throw. I had fun".
