Principal's News

Well done to all the students who have been using last week's advice to 'THINK' – I have been impressed with the number of students who are using this when communicating with each other.

Congratulations to our netball team for their achievement in reaching the grand final of the network competition. They demonstrated excellent sportsmanship skills and put in 100% effort.

CURRICULUM NEWS

Curriculum Day – Friday August 17th, 2012.

The staff at Cranbourne Primary School will be participating in a Curriculum Day this term. This is an opportunity for our staff to work together to plan and discuss curriculum topics, to ensure that we are providing the best learning opportunities for your children.

On 17th August we will be reflecting on our current practice as well as identifying possible initiatives to trial in the near future.

As you may already be aware, there are plans for a National Curriculum to be introduced in 2013. Our Curriculum Day will also give our staff an opportunity to investigate the new curriculum in preparation for next year, and how it is going to affect our school community.

Please remember, students do not attend school on this day.
