Principal's News

We would like to thank the extraordinary support provided by parents, extended family members and staff on Saturday at the BBQ held at Cranbourne Bunnings.

Thanks to the dedication and commitment of these people:

Jenni Lorne, Maryelle Gillett, Kellie Peters, Bob Dickson, Anne Mastrangioli, Belinda Walker, Nicole Agussol, Annabel Murfett Scott Skewes, Louise Marshall, Maria Daniel, Di Fernand, Mary Doolan, Bec Armstrong, the PTA was able to raise close to \$2,000.

This money will go towards the further development of our grounds and the extension of playground equipment.

During the past week it has been disappointing to see the behaviour of some of our students become detrimental to the safe learning environment which we have worked so hard to achieve. I would like to take this opportunity to remind students and families that we have a responsibility to all members of the learning community – students, staff and parents to provide a 'safe' environment. We therefore are taking a very firm approach to the maintenance of our 5 school rules.

- 1. Be a responsible and supportive member of the learning community*
- 2. Communicate with others in a courteous and respectful manner*
- 3. Stay within your own personal space*
- 4. Use equipment for its correct purpose at the correct time*
- 5. Follow all staff instructions*

Whilst the necessary support systems will and have been put into place for individual students, intentional and repeated breaches of these rules are being dealt with appropriately and diligently.

The second instalment EMA cheques are now available for collection from the office. If you have elected to be paid into your bank account, this should have already occurred.

We are very excited to inform our Community that we have engaged the talents of an external performance group to work with our students during Term 4. Students will attend ten weekly workshops. At the end of the ten sessions the students will present a community performance in December to "show case" the students' achievements. The cost for this incursion is \$10 per child. Please return your form and money to the office as soon as possible.

CURRICULUM NEWS

Excursions and Incursions

To support and enhance the learning opportunities taking place at school, teachers will often arrange an excursion, where students visit a venue or location that is relevant to the curriculum currently being delivered. Alternatively, an incursion can be arranged, where an organisation or company provides the learning experience here at school.

Teachers carefully research these experiences and ensure that the students get 'value for money'. When such events are investigated and planned, teachers try to keep the costs to a minimum to support our families. Teachers also provide families ample time to organise any payments required for children to take part.

The aim is to support the learning taking place at school by providing real life applications of skills, concepts and information. They also provide our students with experiences that they may not ordinarily have access to or the opportunity to visit.

It is expected that all students attend such incursions and excursions when they are provided. If a child does not attend they are at a disadvantage when the rest of the learning community is discussing the experience and the information shared during the excursion/incursion.

The 'Dance Fever' Workshops taking place in Term 4 are a great opportunity for our students to participate in dance lessons, provided by external professionals. The dances learnt will then be performed for our school community at the end of the year, as our End of Year concert.

STUDENT NEWS

MIDDLE LEARNING COMMUNITY

At the beginning of Term 3 in the Middle Learning Community we introduced a new writing program called 'Writer's Workshop'. This program allows the students to be very creative and self-directed in all forms of writing.

We have been very enthusiastic and engaged with the program so far.

Here are some photographs of the students hard at work creating their masterpieces! Some of their work will be on display at our upcoming Open Evening on 27th August.
