Awards

We would like to congratulate all of our Prep students who attended their first assembly this week.

They demonstrated support, responsibility and confidence.

Principal's News

Students have been very enthusiastic starting the specialist timetable this week. The programs have focused on trying new things.

The PE program focused on learning the etiquette and rules for using the Mini Golf course. Students played in pairs and were very supportive of each other whilst putting.

The Art program gave students the opportunity to experience a variety of textiles and techniques, creating some beautiful pieces of art work.

The Personal Development program was all about knowing who you are and what qualities you have.

We have had many visitors to our school during the past week. It is pleasing to receive the positive feedback from all of our visitors who have been very impressed with the learning communities that have been established in our school.

Please accept an invitation to visit the school next Wednesday evening 22 February (between 5pm-6pm) so you too can see what is happening inside the Learning Community of Cranbourne Primary School. There will be free sausages for students and their immediate family members available.

From the Office

A reminder to families who have not yet returned their forms that were sent home last week to please do so as soon as possible. We currently have a student with an immune deficiency so we would appreciate immediate notification if your child comes in contact with chicken pox, whooping cough, measles or mumps. All notices, money and forms are to be given to classroom teachers - **NOT** the office. Receipts for money received will be sent home with students.

CURRICULUM NEWS

The School Library!

It has been wonderful to see parents and students taking advantage of the new open hours for our school Library. We are hopeful that more of you will visit the new Library space during these times.

Students will still have access to the Library during learning times, however the focus of these sessions is to promote an appreciation of Literature and develop research skills and positive attitudes to using the Library effectively, in a responsible manner. Students will be able to borrow during these sessions.

To provide further opportunity for students to borrow, the Library will also be open:

Tuesday – Friday mornings 8.30 – 8.45am, and afternoons 3.15 – 3.30pm
