PRINCIPAL'S NEWS

Welcome to Term 4

The term has had an amazing start with the first Dance Fever session on Monday.

All students who participated had a fantastic time and are looking forward to performing for parents at the end of year celebration concert.

It is not too late to join in this activity – participation forms and payment (\$10) will be accepted up to this Friday.

The dance instructors are young, vibrant and full of enthusiasm.

Congratulations to our athletics team who competed at Casey Fields during the last week of term 3. We had several students succeed to go through to the next level.

Thank you to Mr Peel for organising their participation and for attending the day, acting as a marshall in the shot put event.

Mrs Pereira is on leave for this week and next week while Miss Maslen has extended her long service leave from last term to the end of the year. Replacement teachers will be joining the learning communities during these staff absences.

Mrs Pedic will be absent for two weeks – during this time the library will open for returning books only at recess and lunch time. The library will not be open before or after school for two weeks.

CURRICULUM NEWS

NAPLAN

The Department of Early Education & Childhood Development (DEECD) has returned the results of our NAPLAN Assessment for 2013.

These results are a snapshot of how students in Grade 3 and Grade 5 are doing at school as compared to other students of the same age across the country (National).

These assessments were conducted earlier in the year, therefore are not an indication of where the students are at now with their learning but where they were at 6 months ago.

These reports are assessing students against the new National Curriculum AusVELS and not VELS. Students in Year 3 and Year 5 will receive their personal NAPLAN results next week.
