Principal's News

Celebrations and success at Cranbourne Primary School

I would like to ***congratulate*** the following members of our community on their outstanding achievements this week.

Cassie N (a student in the Middle Learning Community) won the **Under 10 Kumite Victorian Championships** on the weekend.

Mr Gary Peel and his team who did a wonderful job in organising our **Twilight / Meet & Greet** evening, which was well attended.

Our **Athletics team**, who competed yesterday at Casey Fields and came second overall and had many excellent individual achievements. It was reported to the school by various members of the community who attended the event that our students displayed outstanding levels of sportsmanship towards their own team members as well as other competitors. Whilst at the event, our students also demonstrated high levels of support and responsibility.

We wish all the students who will be competing at the next level of competition the very best.

Cheryl Van Deursen - Principal

Principal	Layla P. (JHM)	Supportive

STUDENT PICK UP TIME

Please note that school dismisses at 3.15pm each day and students need to be picked up at this time. The school does not conduct an After School Care Program.

CURRICULUM NEWS

Literacy and Numeracy skills are a vital part of every aspect of our daily life. It is imperative that we encourage our students to make connections between what they are learning at school and the real life applications and use of these skills.

One area that is easy to make these connections is sport. Many of our students excel in many different sporting arenas, as is evident from the fantastic results at the Athletics Carnival yesterday! Sporting interests of your child are a great opportunity to develop their Literacy and Numeracy skills.

Some suggestions are:

- Being able to listen to and understand sporting rules, the coach's instructions or advice from team mates will help to improve their sporting performance.
- Reading manuals, reference texts, rule books, team fixtures to further develop their understanding of a particular sport.
- Writing out game plans or rules to help better understand the strategies/rules of a game/sport.
- Use the scoring system of a sport to help with counting, addition, subtraction, division, multiplication, percentages.
- AFL scoring system is a great introduction to algebra!!
- Tapping into the interests of your child is a great way to encourage them to read – provide them with material on their favourite sport.

If you have any questions please speak to your child's Home Group teacher.

Di Fernand – Assistant Principal

Anaphylaxis Product Recall

A product recall has been issued for Koala Popcorn Chicken Flavour by food standards Australia, New Zealand. This product contains an undeclared allergen.

The product is in a foil sealed bag weight is 25 g net the bag has a picture of a large koala on the front and a best before date up to and including 07/07/13. If you require further information you can contact Food Recalls at food standards Australia on (02)6271 2222.
