STUDENT NEWS

Senior Learning Community

We have had a very productive start to the year in the Senior Learning Community. The students are enjoying utilising the different learning spaces and resources. We are currently investigating procedural writing in English and addition and subtraction in Maths. The students are enjoying the opportunity to rotate through our 'Topic' activities of Computers, Music, Research and Science.

We are continuing to focus on the importance of '5 Star Work'. The students are encouraged to present all their work to a '5 Star Standard'. The end of the term is going to be very busy with Athletics, Indonesian Day and National Ride to School Day. We are also looking forward to attending camp on Monday 28th May. The deposit for the Camp was due today.
