3.1 Creativity and Expressive Arts

Help for non-English speakers

If you need help to understand the information in this policy please contact 03 5996 1744.

Cranbourne Primary School OSHC aims to provide all children with appropriate, frequent and varied opportunities to explore their creativity and expressive potential. Such activities engage children in fun and enjoyable recreational experiences.

Procedures

- The service shall encourage children to actively participate in a variety of creative and expressive experiences
- Varying levels of ability and interest are catered for
- Every child is provided with equal opportunity and choice to participate in and encouraging and supportive environment
- Gender, cultural, age and individual differences are considered with planning and implementing activities
- The program includes a balance of planned experiences and those which are spontaneous / child initiated
- Staff shall encourage children's efforts to express themselves creatively
- The service shall provide a range of materials which extend children's creative interest and potential. This may include, but is not limited to, musical instruments, dress ups, games, art materials, puppets, etc
