CIRCUS

Our students, staff and parents were privileged on Friday afternoon to view a mini performance from Cirque Africa.

Balancing, juggling, bending and teamwork were taken to new levels as we watched acrobats and contortionists work together to achieve amazing feats.

All of the performers in the circus have come from Africa and some of their achievements are recognised in the Guinness Book of records, including the 14 year old acrobat who can do the most number of recorded back flips in succession within one minute .

The circus has very generously provided all of our students with a pass to the circus which allows them free entry with a paying adult.

Curriculum

Life Education is coming!

12th—17th August

The Life Education program is part of our annual curriculum. It is an excellent program that provides students with a different learning opportunity, to help teach them about healthy lifestyle choices.

Students are timetabled to visit the Life Ed van, where they discuss choices and information to aid them in understanding the importance of looking after their health.

Harold the giraffe is the Life Ed mascot and he lives in the van, so all children that take part in the program have an opportunity to meet Harold.

Students that participate in the program are also provided with an activity booklet, that teachers refer to back in the learning spaces as follow up and to reinforce the concepts covered during the session in the van.

The cost of this program is incorporated into your child's school fees.

Students will be able to attend provided their school fees have been paid in full or you have been making regular periodic payments in accordance with your payment plan. If you are unsure of your current financial standing in regards to your school fees, please contact the school office.

Foundation and Junior Learning Communities

On Thursday the 30th of July, the Foundation and Junior Students were visited by Christine and her lovely dog Breeze as part of the Responsible Pet Ownership Program. The students learnt all about how to safely approach a dog by asking the owner first and putting out the back of their hand for the dog to smell before patting. Some lucky students were also chosen to practise approaching Breeze and were able to pat her.

Cameron

Cameron, Cameron
We're not wrong.
We're bold and brave and very strong.
We'll do our best until we win,
Inspiring every kid to sing.
Go Cameron!

Childers

Extra extra read all about,
Childer's gonna win no doubt about.
We're rough, we're tough, we're hard to beat,
So come on Childers, do your best!

SCHOOL
BANKING DAY
IS FRIDAY

Woolworths Earn & Learn

CPS is participating in the Woolworths "Earn & Learn" Rewards Program.

If you shop at Woolworths, you will receive a sticker for every \$10.00 you spend. These stickers are then placed on sticker cards, and once a sticker card has been filled, they can be placed in a collection box.

We have collection boxes at the main office at school, as well as Woolworths Cranbourne Park and Selandra Rise stores.

Please place filled sticker sheets in the boxes. If you have loose stickers, hand them in to the school office and we will transfer them onto sticker sheets.

The more sheets we fill—the more points we accumulate to spend on resources for the school.

Please support our school by collecting the stickers whenever you or a family member shops at Woolworths.

*The program is running from
Wednesday 15th July to Tuesday 8th September 2015.*
