## PRINCIPAL'S NEWS

Hello everyone and welcome back to another year.

Students are already off to a great start, and have settled into their classes. We start every year with a **"Launch Into Learning"** program that helps to set up classroom expectations, familiarises students with our PRIDE values and provides an opportunity for teachers and students to build strong relationships. This has been a huge success, and students are off to a great start already.

Our **Out of School Hours Care** program has already started, and is proving to be a big success. While numbers are low at the moment, we encourage any parents who are interested to contact the school. We currently have an introductory offer of **\$5 for a morning session and \$7 for an afternoon session**. These prices will continue while we finalise our Child Care Subsidy application. If you are interested in finding out more, there is more information later in the newsletter.

Our **camp and excursion program** will soon be getting underway. Our Senior students have an amazing range of activities on their camp in a week's time, and teachers are already getting excited to spend some time really getting to know all their students, while also having a lot of fun! Middle students should expect to see information coming home soon about their camp as well. This is all part of our goal to provide students with amazing experiences while at school, and there will be lots more activities to compliment the academic program.

If you are interested in getting involved around the school, check out the **Community Links** and **Community Hub** information in the newsletter. We recognise that school is a great place for adults to learn new skills and build friendships as well, and there is a great program that will soon be underway. Keep an eye out, and try to come along to the early programs to get in the loop.

**Marnebek** is still on site with us, and will be for most of Term 1. They had a wonderful year in 2022 with no disruptions to our school program, and we continue to welcome them. Just a reminder not to stay too long on Russell St when you drop your children off, as they will need to use this area for busses.

Our teachers are enormously excited for a fresh year, and it has been wonderful to see students off to a great start. As always, we welcome your support, and look forward to a great year ahead!

Lachlan Yeates  
Principal

# Wellbeing News

Mrs Vanessa Hare

## WELCOME BACK

Welcome back to Cranbourne Primary School. We are very excited to have students back at school in their new classrooms.

These first weeks of school are so important for students social and emotional wellbeing. This is when students get to know each other in different and creative ways. It is also when teachers set the expectations for the classroom and go through things such as our PRIDE Values, timetables and Zones of Regulation. By the end of this week students will have something of their own hanging up in the classroom that allows them to share things that are important to them with their peers.

## ATTENDANCE

Being on time means students do not miss out on important lessons such as circle time where teachers can check in on students and set them up for a successful day. Being 10mins late each day means students miss out on a whole hour of learning in just one week. This could mean your child will start to fall behind their peers. Please have your child at school on time for the 8:50am bell.

# What's happening in E.A.L & Cultural Studies with Miss Whittle

Cultural Studies has started with MB and SB already attending their first session. In the session students were introduced to what Cultural Studies is all about, the expectations of the room and the over-arching goal of becoming global citizens.

We looked at the story **Whoever You Are by Mem Fox**, which explores some of the

similarities and differences in us all...and it's this that makes each of us unique and special.

It has been lovely to see the students engaged and enjoying learning a new topic. One of my favourite moments was hearing SB enter the classroom and make positive remarks on how nice the space looked. Such an awesome way to start the year and start a new subject.

Now just waiting for my E.A.L sessions to begin soon, supporting the English language needs of the students, to help them access the curriculum successfully... plus I will have plenty of lemons soon, for the annual lemonade making session.
