29th March, 2023.

## PRINCIPAL'S NEWS

We are almost at the end of another exciting term. The school has been off to a great start, and every day we see great social and learning behaviours from our students.

Harmony Day and the Community Night were a wonderful success, despite the weather. Students had a great time learning their dancing and drumming routines, and there was a strong turnout for the evening events. We have received a great deal of positive feedback about the class-meetings that were run, and will be looking to run a similar event earlier in the year in 2024! I would particularly like to thank our Community Links team for organising so many of the stalls and activities. I would also recommend that any parents or guardians interested in supporting the school and building some great friendships should join their wonderful team.

We have started our school tours for 2024 enrolments! While we cannot confirm enrolments yet, we encourage anyone interested to book in a tour. Unfortunately a number of parents were disappointed when we were unable to take their enrolments in Term 4 due to reaching class capacity, so get in quick!

I would like to remind parents that students should only be dropped off after 8:30 in the morning, and these students should head straight to breakfast club. We now have an OSHC program offering highly subsidised rates, so I encourage any parents who work early in the morning to register their children! I would also remind parents about the time limits for parking on Russell St, particularly as the damp weather sets in.

Our student leaders went to Bunjil Place today for a Casey leadership summit. Students proudly displayed our school values and represented the school well. I look forward to continuing to work with our wonderful student leaders, and we are already looking at our grade 4 students to identify next year's vice-captains.

Yard behaviour has been a focus of ours, and I am pleased to report a significant drop in concerning incidents over the last several weeks. I would like to thank parents for their support, and for continuing the conversations about appropriate behaviours when they get home. We will continue to support students to show pro-social behaviours in the yard, and hopefully this is an area we can continue to improve.

Attendance is a major priority for the Department of Education this year. You all do a wonderful job at getting students to school every day, and the school has a higher percentage of "high attendance performers" than other schools in the area. Please remember that every day away from school impacts your child's social and academic learning. If you are struggling to get your child to school, please talk with their classroom teacher or Vanessa Hare, our wellbeing coordinator.

Thank you all again for another wonderful term, and if I don't see you again, have a wonderful Easter break!

## BRAND NEW PRIDE AWARDS!

This year we will be awarding students with one certificate for each of our PRIDE values once a month to a student showing outstanding school values of; Persistence, Responsibility, Independence, Discipline and Excellence. Our first of these awards will be presented at this weeks assembly.

## WANTING TO SUPPORT YOUR CHILDS SPEAKING AND LISTENING SKILLS AT HOME?

It may seem simple, but putting aside time to share a meal together with no TV or devices gives children time to practice important speaking and listening skills. Practicing turn taking and using eye contact when listening will have a huge impact on their ability to use these skills at school.

## Every Minute Matters!

Ten minutes late may not seem like much but over a week, that's a whole hour of lost learning. In an average term, that is 10 hours of time away from important learning time.

When your child misses just....	that equals.....	which is.....	and therefore, from Kindy to Year 12, that is....
10 minutes a day	50 minutes of learning each week	Nearly 1 1/2 weeks per year	Nearly 1/2 a year of school
20 minutes a day	1 hour and 40 minutes of learning	Nearly 2 1/2 weeks per year	Nearly a year of school
1/2 hour a day	1/2 a day of learning a week	4 weeks a year	Nearly 1 1/2 year sof learning
1 hour each day	1 whole day of learning each week	8 weeks per year of nearly a term of year	Over 2 1/2 years of learning

On Tuesday March 21, the students and staff of Cranbourne PS came together to celebrate Harmony Day and celebrate Australian multiculturalism. Around 29 different countries are represented through our staff and students.

Australia is one of the most successful multicultural countries in the world and this day allowed us to celebrate this. The purpose of Harmony Week is to promote inclusiveness, respect and belonging for

At Cranbourne PS about 45% of our students are from a Language Background Other Than English – that means another language might be spoken at home.

Throughout the day students learned about the meaning behind Harmony Day and participated in workshops. The Middle and Senior students participated in African drumming provided by..... While the Foundation and Junior students participated in Polynesian Dancing provided by....

A fun day had by all!!

# CASEY LEADERS' SUMMIT

Our Grade Six leaders had a wonderful time at the Casey Leaders' Summit at Bunjil Place on Wednesday the 29th of March. Here is what they thought:

I enjoyed when Charise came to speak to us. She talked about how her life changed after a medical illness; however, she was able to show persistence and overcome difficulty.

Kashish(SC)

I loved the leaders' summit. The best thing about it was when Ashvina spoke to us about creating her business to help the community. She was the founder of Cook4CALD, which makes meals for people.

Avni (SC)

The best part of my experience at the leadership summit was Nathan Hulls' motivational speech. He inspired me while making it fun.

Sam (SB)

My favourite part of the leaders' summit was when the speakers Nathan Hulls and Ashvina shared their very inspiring stories

Toni (SC)

The most memorable part of the summit were the new ideas I have inside my head now!

Denzel (SB)

One of my favourite parts of the leadership summit was when Cherise gave us a few inspirational quotes including 'you have one chance in this life so make it count!'
