

## PRINCIPAL'S NEWS

DA

As we move further into Term 2, it has been wonderful to see the continued growth, engagement and enthusiasm across our school. Whether in the classroom, out in the yard or representing our school in the community, our students continue to make us incredibly proud through the way they work hard, are kind and feel proud.

Earlier this month, we celebrated Education Support (ES) Appreciation Day, and I would like to take a moment to sincerely acknowledge the incredible contribution of our ES staff. Our Education Support team work tirelessly behind the scenes and alongside our teachers every day to support student learning, wellbeing and inclusion. From running intervention programs and supporting students in classrooms, to helping children regulate, connect and feel successful at school, their impact is enormous. Cranbourne Primary School is a better place because of their care, patience, flexibility and dedication, and we are incredibly grateful for everything they do for our students, staff and families.

Congratulations also to the students who represented Cranbourne Primary School at District Athletics. We are so proud of the way our students conducted themselves throughout the day, demonstrating persistence, sportsmanship and school pride. A big thank you must also go to Mrs Pool and Ms Gramc for their outstanding organisation and support in planning the event and helping ensure the day ran so successfully.

Last Friday's iRock concert was another highlight, with our students absolutely shining on stage. It was fantastic to see the confidence, teamwork and talent of our budding rock stars on display. Thank you to our families for supporting these opportunities and encouraging our students to get involved in experiences beyond the classroom.

A quick reminder to all families to please take care during drop-off and collection times. We ask that families be mindful not to park — even partially — on our neighbours' nature strips, and to carefully observe all parking signs and restrictions around the school. Keeping our community safe and maintaining positive relationships with our neighbours is very important to us, and we appreciate your support with this.

Finally, our school's 4-year review is approaching, which is an important opportunity to reflect on our progress and help shape the next chapter of Cranbourne Primary School. As part of this process, we will be holding a parent forum on Tuesday 9th June at 3:05pm in the BER. Members of the review panel, School Council and staff will be present, and families will have the opportunity to ask questions and provide feedback. Further information will be shared via Sentral shortly.

Thank you, as always, for your ongoing support of our wonderful school community.

Warm Regards  
Krysten Andrews

Daily school attendance is crucial for academic success, social development, and building healthy habits for the future. Missing school, even just one day a fortnight, adds up to four weeks a year, putting students behind and impacting their long-term employment, income, and overall well-being.
