PRINCIPAL'S NEWS

Hello, and welcome back to another wonderful term.

NAPLAN results have just been released to the school. I am very excited to announce that the school achieved some of the best results ever!

In particular, our Grade 3 students performed very well, showing the impact of their great learning attitude and the new learning approaches teachers have been using. 68% of our Grade 3 students achieved strong or exceeding results, compared with only 57% of local schools. Teachers, students and parents should be very proud of these results. Overall, the school outperformed similar and local schools in 6 out of the 10 areas assessed, significantly more than the school has achieved since NAPLAN started!

We are coming into an exciting term. Our Middles and Seniors both have exciting excursions into the city, and all our students will be going to swimming later this term. We have also already had one incursion for the whole school. We continue to provide an exciting range of opportunities in and out of the school for students, and it has been great to hear the many compliments on students' behaviour.

Many of our parents have been volunteering in the school in a range of ways, whether as reading coaches, in Community Links or running some lunchtime activities. This is a great opportunity to be involved with the school, and I encourage everyone to get involved.

Unfortunately there have been several negative exchanges from parents to other parents, staff or students in the last several months. A reminder to all our parents that our [Code of Conduct](#) needs to be followed. This can be found on the school website, or a hard copy provided on request from the office. We have a wonderful, friendly and supportive school community, and it is important that we all do our part to keep it that way.

A reminder that the earliest students are allowed to attend school is 8:30 for breakfast club. We strongly discourage parents from sending their students to school earlier than this, as they are not supervised outside of school grounds. The school provides a very cheap before school care program for parents who are unable to supervise their children until 8:30. If you have any questions about this, please contact the office.

I am very excited for another great term! As always, if you have questions, comments or feedback, please feel free to contact me!

WELLBEING NEWS

TERM 3
WEEK 2

Welcome to Term 3!

Welcome back to Term 3 of 2023. This term we have many exciting excursions and incursions planned for the students including a great program run by 'Journey of Hope' for our Middle Learning Community. This focuses on identifying emotions, problem solving, conflict resolution and resilience. We have noticed post COVID that many of our students struggle with these skills so we cannot wait to see how they go with this program. If your child has not brought back their form we still have some space for another group to run in Term 4 so please send it in ASAP.

Reminder: Students are not to wear hoddies at school

Attendance

Attendance at school is vital for your child's learning. For every 5 minutes that they are away they are starting to fall behind their peers. If you are struggling with morning routines and getting children to school on time there are many groups, such as Uniting, that can support with this. Please reach out and we can help direct you to one.

Concerns

Have you noticed your child's not making much growth in class? Are they struggling to concentrate or showing different behaviours than other children you know? It could mean that they have other difficulties that are holding them back. If you would like to know more about what this could mean or what to do please reach out, we would be happy to help.

Hello to all our wonderful Junior Learning Parents at Cranbourne Primary School. This Semester, students might have noticed some significant changes in the F-2 classrooms. New walls have been built to support students with their learning. To support the calm and settled learning environments in each classroom the Junior teachers have communicated to students that we will be entering and exiting the door that is closest to their own classroom. They will no longer be able to pass though another learning space to enter and exit. So, we would ask that parents collect their students from their own classroom door.

JA and JD – the under cover area opposite the oval.

JB and JC – the under cover area opposite the library.

Thank you to all our wonderful parents for supporting teachers and students to keep our classrooms stress free, calm and relaxed environments into Semester 2.

What's happening in E.A.L with Miss Whittle

Each year my lemon tree grows too many lemons for me to use, so we make LEMONADE at school. The end of term 2 was the annual EAL lemonade sessions. As always the lesson is enjoyed by all. We read about how lemonade is made, we then make the lemonade and then we write about making lemonade.

Here are some photos from the day!
