PRINCIPAL'S NEWS

Issue 10
22nd April 2015

We proudly wish to acknowledge members of our school community who served our country during wartime and helped to make our country the great place to live that it is today. Without their commitment and dedication, life in Australia may not have turned out quite the same.

It is important that we recognise their sacrifice and show our respect to the memory of all those who have lost their lives during war, as well as to those who now currently serve in our Armed Forces.

CURRICULUM

Australian History

Anzac Day is an important time in Australian history, and students have been involved in discussions about ANZACS, WW1 and WW2 and the significance of Anzac Day.

Australian History is a large component of our curriculum, and this period is but one chapter. Students will be discussing a variety of historical events relevant to Australia during their time in primary school, as it is crucial that our children have an understanding of our past so they can appreciate what they have now and the opportunities they may have in the future.

Other events in Australian History that may be covered during primary school are:

- *The First Fleet*
- *Early Settlers*
- *The Gold Rush*
- *Explorers*
- *Migration*
- *Famous Australians*
- *Local community history*
- *Australian stories*
- *Indigenous history, culture and Dream time*

What has been happening in the Junior Learning Community?

In the Junior Learning Community we have been learning how to use the XO Computer. The XO has lots of different features including games and educational programs, as well as having the ability to access the internet. We will be using the XOs during our ICT lessons as well as during Literacy and Numeracy sessions to access websites such as Sunshine Online and Mathletics.

Be Outstanding

OPEN NIGHT April 22 5pm - 7pm

Mount Erin College warmly welcomes you to visit our school. We pride ourselves on offering rich and challenging academic programs and opportunities.

With our \$9m Stage One facilities to open early in 2015, students will experience a state-of-the-art 21st century learning environment.

At Mount Erin College, we are dedicated to the success of every student.

The evening will be held in our new Design, Art, Technology and Science building (The DATS Centre) and is followed by a tour of the College.

Session A: 5.00pm

Session B: 5.45pm

Bookings can be made on-line through the College website. Contact Barb Kershaw on 59716013 to make a booking. College tours are held on Thursdays at 1.30
