

PRINCIPAL'S NEWS

Welcome back to Term 3! It has been wonderful to see our students return refreshed and ready for another exciting term of learning. Classrooms have quickly settled back into routines, and there has already been plenty happening around the school.

This week we proudly celebrated NAIDOC Week and launched our beautiful new artwork, created in partnership with artist Bayley Mifsud. The piece tells an important story about our school community, our values and our journey together, and we are incredibly proud to have it displayed as a lasting reflection of who we are as a school. A huge thank you to Mrs Jenkins, Mrs Jay and Mrs Houlder for their wonderful organisation of the day, along with all of the staff who facilitated activities and learning experiences for our students so beautifully. It was my favourite NAIDOC celebration yet!

I encourage families to visit our Facebook page and website to learn more about the artwork, how it connects to our school values and to discover some of the wonderful stories and details woven throughout the piece.

Our Years 3–6 Auslan students were also fortunate to participate in a guest speaker session this week, providing them with an invaluable opportunity to learn from a Deaf person and further understand the importance and value of inclusive communication. Thank you to Ms Whittle for organising this wonderful experience for our students.

Parent Teacher Interviews will be held on Tuesday 28th and Wednesday 29th July and bookings are now open through Sentral. These conversations are an important opportunity to celebrate successes, discuss progress and work together to support each child's learning journey. Families of students who will be participating in a Student Support Group (SSG) meeting are not required to book an additional Parent Teacher Interview.

This week staff also introduced students to the Department of Education's *Respectful, Safe, Engaged: Shared Expectations to Support Student Behaviour* framework. This important document outlines the expected behaviours, rights and responsibilities of students, families and staff across Victorian government schools and supports the creation of positive, inclusive and productive learning environments. Students have brought home a booklet outlining what these expectations look like at school, including how students can demonstrate these behaviours and how families and the school can work together to support them.

As we begin the term, this is a wonderful opportunity to revisit our school values of Persistence, Responsibility, Independence, Discipline and Excellence (PRIDE). Every day our students demonstrate these values through their learning, friendships and the way they contribute to our school community. Thank you to our families for continuing to reinforce these values at home and for partnering with us to ensure Cranbourne Primary School remains a place where we all work hard, are kind and feel proud.

Warm regards,
Krysten Andrews

POSITIVE PARENTING STRATEGIES: Self-Care for Challenging Times

PARENTS BUILDING SOLUTIONS

- Does your home sometimes feel like a battleground?
- Are you feeling discouraged or overwhelmed?
- Are you juggling work, parenting and life with no time for yourself?
- Did you know that your children will learn about healthy life boundaries and self-care by observing you (no pressure)?

Parenting is one of the toughest jobs you will ever do, with many challenges that can feel overwhelming at times. It is normal for parents to feel many of these emotions and you are not alone.

These sessions will explore how to create space and practice self-care so that it does not feel like another thing to add to your 'To Do' list.

NOTE: These parenting sessions are general in nature, and seek to create an environment where parents are learning from one another. We aim to equip parents with transferrable knowledge and skills.

Tuesday, 15th September (Session 2)

TIME: 12.15 p.m. - 1.30 p.m.
