

## PRINCIPAL'S NEWS

It has been another busy and rewarding fortnight at Cranbourne Primary School, with plenty of opportunities for our students to challenge themselves, connect with our wider community and celebrate one another.

Last week, a number of our students participated in the Australian Maths Competition, putting their mathematical thinking, problem-solving skills and persistence to the test. We are incredibly proud of all of the students who chose to challenge themselves and have a go. A big thank you to Ms Gramc and her team for their organisation and for providing our students with this opportunity.

Our Foundation students also had some very special visitors, with our local firefighters coming along to share their knowledge about fire safety. There was plenty of excitement as students learnt more about the important work our firefighters do in our community. Thank you to Mrs Hance for coordinating their visit.

Our Grade 5 students had another wonderful community connection when they were invited to Cranbourne Secondary College for a sneak peek of their production of Freaky Friday. It was a fantastic opportunity for our students to experience a secondary school production – and particularly special for us to see some of our former Cranbourne Primary School students up on stage! We are always incredibly proud to see our students continue to grow, thrive and pursue their interests long after they leave us.

We are also very pleased to officially welcome Ms Mariam, our new Community Hub Leader, to Cranbourne Primary School. Our Community Hub plays such an important role in strengthening the connection between our school, our families and our wider community, and we are excited to see what this next chapter brings. We look forward to working alongside Ms Mariam to build new connections, create opportunities for our families and continue making our school a place where everyone feels welcomed and connected. Please make sure you say hello and introduce yourself when you see her around the school!

On a personal note, I would also like to say an enormous thank you to our staff, students and families for the beautiful messages, kind words and gestures I received for Principal's Day last Friday. I was genuinely so touched by the love shown to me throughout the day. It is an enormous privilege to lead this school and community, and I feel very fortunate to come to work each day alongside such wonderful students, staff and families. Principal's Day also gives me the opportunity to acknowledge two people whose work is not always as visible, but whose contribution to our school is extraordinary. Our Assistant Principals, Mrs Hare and Mr Hodge, work tirelessly for our students, staff and families, often quietly and behind the scenes. From supporting students and families, to looking after staff, solving problems, responding when things don't quite go to plan and helping keep the many moving parts of a school running each day – we simply couldn't do what we do without them. Thank you both for everything you bring to our school and our leadership team.

### *A little reminder about reading at home*

As we head towards Book Week and our Scholastic Book Fair, it is a perfect time to remind families just how valuable reading at home can be. Even 10–15 minutes each day makes a difference. For our younger students, this might mean reading their take-home book, practising sounds or enjoying a story together. For older students, independent reading, reading aloud or even talking with you about what they are currently reading all helps build fluency, vocabulary and comprehension.

Most importantly, we want our children to see reading as something that isn't confined to the classroom. Sharing books, talking about stories and seeing the adults around them read all help develop children who see themselves as readers.

Thank you, as always, for your continued support of our students and our school. There is plenty still to look forward to as we move into the second half of Term 3!

Warm regards,

**Krysten Andrews - Acting Principal**

## DATES TO REMEMBER

|                  |                                                     |

# Announcing the Dojo All Stars

## Our Dojo Super Stars!

Week 4: Victor in Foundation!

Week 5: Dana in Seniors!

## What are the Dojo All Stars?

Congratulations to our CPS Dojo All Stars! Each week, we celebrate students who consistently demonstrate our school values by working hard, being kind, and feeling proud. These students have earned the highest number of Dojo points in their learning community, with one student recognised as our CPS Dojo Super Star.

|            | Week 4   | Week 5 |
|------------|----------|--------|
