

PRINCIPAL'S NEWS

It is hard to believe we have reached the end of Term 3! It has been another incredibly busy term, filled with learning, celebrations, new experiences and so many moments that have reminded me what a special community we have at Cranbourne Primary School.

A little personal news... I am incredibly excited and proud to share that I have officially been appointed as Principal of Cranbourne Primary School.

Having had the privilege of leading our school in an acting capacity, I already knew just how much this community means to me – but I don't think that made receiving the news any less special! I feel enormously fortunate to have the opportunity to continue leading a school filled with such wonderful students, dedicated staff and supportive families.

I am so proud of what we have achieved together already, and even more excited about what lies ahead. There is so much that makes Cranbourne Primary School special, and I look forward to continuing to build on our strengths, challenge ourselves to keep getting better, and make sure our students have every opportunity to be more than anyone thought they could be.

Thank you to everyone who has supported, encouraged and believed in me along the way. It is an absolute privilege to be your Principal, and I couldn't be happier that I get to keep calling CPS home.

Celebrating our families Our Father's Day Breakfast was a wonderful opportunity to bring our community together and celebrate the dads, grandfathers, carers and other special people in our students' lives. We know that families come in all shapes and sizes, and occasions like these are ultimately about giving our children the opportunity to celebrate the people who love, support and care for them.

There was such a lovely atmosphere around the school, and it was fantastic to see so many of our families joining us for breakfast. A huge thank you to Mrs Jenkins for the enormous amount of work that went into organising the morning, and to all of our staff who arrived early and pitched in to help make the event such a success. These special community events take a lot of work behind the scenes, and we are very grateful to everyone who helped make the morning possible.

Foundation adventures at Myuna Farm Last Friday, our Foundation students headed off on their excursion to Myuna Farm, and all reports suggest a wonderful time was had by everyone! Excursions are such an exciting part of the primary school experience, giving students opportunities to take their learning beyond the classroom, experience something new and make some pretty special memories with their friends.

Thank you to Mrs Hance and Ms Nichols for all of their organisation in the lead-up to the excursion, and to the staff who attended and supported our students throughout the day.

Wrapping up Term 3 When we look back over the past ten weeks, there is so much to feel proud of. From NAIDOC celebrations, our beautiful new artwork and the Australian Maths Competition, to Book Week, the Book Fair, Foundation's 100 Days of School, Father's Day celebrations, excursions, performances and countless moments of learning happening in classrooms every single day – it has certainly been a full term!

Behind every one of these experiences are staff who give their time, energy and care to make them happen, students who embrace the opportunities placed in front of them, and families who continue to support us along the way. Thank you.

As we head into the holidays, one final practical reminder: hats are back from the first day of Term 4! Please use the break to hunt through cupboards, under beds and in the mysterious places school hats seem to disappear to over winter, and make sure they are clearly named and ready for our return. Most importantly, I hope the holidays provide our students and families with an opportunity to slow down, spend time together and recharge.

I often talk about wanting Cranbourne Primary School to be a place where we work hard, be kind and feel proud, and this term has given us so many reasons to do exactly that. I am incredibly proud of our students, grateful for our staff and thankful for the families who trust us with their children each day.

There is something very special about this little school and the community that surrounds it. As I begin this next chapter as your Principal, I can't think of anywhere I would rather be or a community I would rather be part of.

Have a safe, happy and well-deserved break. I can't wait to see everyone back for Term 4!

Warm Regards,

Krysten Andrews - Principal

WELCOME TO

Cranbourne Primary School Community Hub

A Place to Connect, Learn and Belong

Our Community Hub brings Cranbourne Primary School's values of Work Hard, Be Kind and Feel Proud to life. It is a welcoming place where parents, carers, young children and community members can connect, learn new skills, build friendships and find support. We especially support culturally and linguistically diverse families, including migrant and refugee families, while welcoming people from all cultures, backgrounds and English levels. Programs usually run during school terms on Tuesdays, Wednesdays and Thursdays. All programs are free, and childminding is available during English classes.

What's On at the Hub

- English language and conversation classes
- Computer and digital skills classes
- Little Champs Playgroup
- Connect Over Coffee
- Health, wellbeing and social activities
- Community workshops and information sessions
- Help connecting with local services
- Information about volunteering, education, training and employment opportunities

Looking for the Hub?

Ever wondered what the portable next to OSHC is? That's us! Enter through the Russell Street gate. The Hub is the first portable you'll see, right next to OSHC (Outside School Hours Care).

Meet Mariam, our Community Hub Leader

Hello, families! My name is Mariam, and I am excited to introduce myself as the Community Hub Leader at Cranbourne Primary School. I come from a social work and community services background.

I love meeting people and bringing families together. I'm excited to continue building a welcoming, vibrant and connected Hub where people can meet, learn new skills, share ideas and have fun.

I also want people to build confidence, develop their skills and feel supported to take their next steps. The Hub is open to parents, carers, children and community members from all cultures and backgrounds. Our programs are shaped by our community. Have an idea for a program, need help finding a service or simply want to meet new people? Come in and speak with me.

Part of a National Community

Our Hub is part of the National Community Hubs Program, supported by Community Hubs Australia, governments, schools, local organisations and the Scanlon Foundation.
