### Student Leaders

It is great to see our student leaders doing so many positive things for our school community, including assemblies and our student operated canteen.

The I sea, I care ambassadors will be joining me in two weeks to investigate how pollution in the City of Casey waterways are being managed.

If your son/daughter is a student leader in one of these photos, you can contact the office and make arrangements to order a copy for your own home albums.

**PRIDE**

**Persistence – Responsibility – Independence – Discipline – Enthusiasm**

This year has seen us singing both verses of our National Anthem during school assemblies, and so to help you and your child learn the words I have included them in this week's newsletter.

Being able to sing our National Anthem is another way our students and school community demonstrate PRIDE –in themselves, being a part of our CPS community, and being a "good citizen".

As adults it is important that we model the behaviours and expectations we have for children, so please feel free to join us at Assembly and sing our anthem with pride!

**Our next school assembly is Friday 12<sup>th</sup> June.**

The staff at CPS has been working with the students on developing **PRIDE** as a part of their learning. Students completed activities at the start of the year to understand what each of the words meant, (Persistence – Responsibility – Independence – Discipline – Enthusiasm) the behaviours that reflect/demonstrate each of them, and how each of the values develops pride.

Student of the Week certificates are awarded to students that demonstrate PRIDE and feedback is continuously given to students when they exhibit these values.

Discussions at home regarding PRIDE would help to reinforce the behaviours and expectations we wish to see demonstrated at school, as well as reinforcing those same behaviours at home.

# Art

On the 27<sup>th</sup> May, Cranbourne Primary School held an Open Night and Art Show. It was great to see so many parents and students coming through to appreciate all the hard work that the students have been putting in this semester during their Art sessions. From optical illusions to watercolour paintings, we had it all! These artworks are still up along the corridor and in the art room if you would still like to come in and view these works!

## BUBBLES

Students in the Junior Learning Community have been exploring the features of bubbles! We have been learning about reflection, colour and transparency. We then began to draw our own bubble creations. These look fabulous, and Miss Radford had a lot of fun blowing the bubbles for students to pop!

## RANGOLIS

Students in the Middle School have been looking at Celebrations around the world. As part of their Art works, students are designing their own Rangoli patterns, which are used as part of Diwali celebrations. Students used coloured salt to add to their finished designs. We can't wait to see these once they are complete!

## SCHOLASTIC BOOK FAIR

## AUSTRALIAN NATIONAL ANTHEM

Australians all let us rejoice,  
For we are young and free;  
We've golden soil and wealth for toil;  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing,  
Advance Australia Fair.

Beneath our radiant Southern Cross  
We'll toil with hearts and hands;  
To make this Commonwealth of ours  
Renowned of all the lands;  
For those who've come across the seas  
We've boundless plains to share;  
With courage let us all combine  
To Advance Australia Fair.  
In joyful strains then let us sing,
