ISSUE #16 ~ 14th Oct 2027

From our Principal,

Welcome back, everyone! I hope all our families enjoyed a restful and refreshing break and that our students have returned ready for a wonderful final term of learning, growth and celebration.

Term 4 is always an exciting and busy time at Cranbourne Primary School. There is so much to look forward to, from excursions and special events to celebrations of student achievement and opportunities to reflect on just how far our students have come this year.

As we head into the final stretch of 2026, I encourage all our students to continue putting their best foot forward. There is still plenty of learning to be done, and every day presents another opportunity to demonstrate our school values, challenge ourselves and feel proud of our achievements.

Our Future Student Leaders This week, our aspiring 2027 student leaders have been presenting their leadership speeches, and what a wonderful opportunity this has been to see our students step outside their comfort zones!

Putting yourself forward for a leadership position takes courage, and standing in front of your peers to share your ideas and aspirations is no small feat. I am incredibly proud of every student who has taken on this challenge.

Regardless of the outcome, each of these students has already demonstrated important leadership qualities through their willingness to have a go, show initiative and contribute positively to our school community. Well done to all involved!

Marrung Mob Big Day Out It has been wonderful to see our Aboriginal and Torres Strait Islander students have the opportunity to participate in the Marrung Mob Big Day Out. Opportunities like these are so valuable in strengthening cultural identity, building connections and celebrating culture alongside other young people.

We are proud to support experiences that foster belonging, connection and pride in identity, and we look forward to continuing to strengthen these opportunities for our students. A huge thanks to Mrs Jenkins for her participation in Marrung once again this year, and her organisation of wonderful events, like this.

Looking Ahead to 2027 Our preparations for 2027 are already well underway, including our Foundation transition program. Welcoming our newest students and their families into the CPS community is always a highlight of Term 4. Starting school is such an important milestone, and we are looking forward to helping our future Foundation students build confidence, make connections and begin to feel that Cranbourne Primary School is their school, too.

Coming Up – Grade 1 Stay Late and Grade 2 Sleepover A reminder to our Grade 1 and Grade 2 families that our exciting Stay Late and Sleepover experiences are coming up!

These events are such wonderful opportunities for students to build independence, strengthen friendships and enjoy new experiences in a familiar, supportive environment. For many students, these are some of their most memorable primary school experiences!

Please keep an eye out for further information from classroom teachers.

A Few Friendly Reminders With the warmer weather returning, Term 4 is a SunSmart term. Students are required to wear their school hats when outdoors, so please ensure your child has a named hat at school each day.

We also encourage families to continue prioritising regular attendance and punctuality. Even at this busy time of year, every school day counts, and maintaining positive routines helps students finish the year feeling confident and successful.

Finally, thank you to our families for your continued support and partnership. There is something very special about the energy of Term 4, and I am looking forward to sharing all the wonderful moments still to come.

Work hard, be kind, feel proud!

Warm Regards,

Krysten Andrews - Principal

MARRUNG MOB CELEBRATION DAY

On Friday, 9 October, our Indigenous students, and schools from the Casey South District, attended Marrung Mob Kids Celebration Day at Cranbourne Secondary College. The students were encouraged to connect with other indigenous students, make others feel seen and valued and they were also challenged to take away a new idea or lesson from the day.

The day included a range of activities and a lunch. Our students participated in designing their own shirts and making their own Ngaka Ngaka game (similar to tic tac toe), both of which they took home. They heard stories and listened to an Indigenous musician, Ganga Giri.

A great day was had by all!

Colour Explosion School Run 4 Fun

Friday 11th December

Your child should have brought home information about our colour run earlier this term.

If you require another form please see the office.

Take advantage of the AMAZING online portal that is included with our fundraiser!

There are lots of interactive features, and plenty of rewards up for grabs, like free incentive prize credit and Monstar promotional prizes. Let's make the most of our resources and start fundraising now!

If you prefer that your child does not participate, please notify the school by emailing us at cranbourne.ps@education.vic.gov.au.

**DON'T
FORGET TO
REGISTER**

A note from Ms. Pool

I'm excited to announce that we are getting a new ball cupboard for our school! It will be located on the deck next to the ball cage.

The new ball cupboard will help us keep our sports equipment organised and make sure everyone gets a fair chance to use the balls at recess and lunchtime.

To make things easy, the balls will be colour-coded for each year level:

- | | |
|---|---|
|  Yellow – Prep |  Green – Middles |
|  Red – Juniors |  Blue – Seniors |

The existing multicoloured balls are for everyone.

Each year level will be responsible for looking after their own colour of balls. There will also be a set number of balls for each year level, so it is really important that we return them when we have finished playing or when the music is going at the end of recess and lunch.

And this is where our sports monitors come in!

I will be looking for students who would like to become sports monitors. Their job will be to unlock and lock the cupboard and collect any stray balls that have been left behind or haven't been returned to the cupboard.

But remember, the sports monitors shouldn't have to do all the work. Everyone is responsible for looking after our equipment. If you use a ball, make sure you return it to the correct place when you're finished.

And just to make things a little more exciting, there might even be a cool, refreshing treat waiting at the end of term for the year level that does the best job of keeping their balls safe, organised and in the cupboard! So, if you want your year level to be in with a chance, make sure those balls don't go missing!

If we all work together, our new ball cupboard will stay organised, our balls will last longer, and everyone will be able to enjoy playing sport.

Thank you, and I hope all of us will demonstrate our school's PRIDE moto but most of all, have fun with the new equipment.

A safe,
supportive and
fun place for
every child!

What's Been Happening?

Our Spring School Holiday Program was filled with fun, adventure and new experiences! Children enjoyed a range of excursions, incursions, creative activities and plenty of opportunities to connect with friends.

We've also been busy refreshing our OSHC space, with new activity areas, visual displays and resources inspired by the children's interests and ideas.

Have You Booked Your OSHC Sessions?

Before School Care and After School Care bookings are open for Term 4.

Whether you need regular care or occasional sessions, we'd love to welcome your family to OSHC!

**Bookings:
Through Fully Booked**

Looking Ahead to Term 4!

We're excited to welcome everyone back for another fantastic term!

Our program continues to grow and evolve, with plenty of opportunities for children to explore, create, play and build friendships in a welcoming and supportive environment.

With Halloween just around the corner, we're also looking forward to some spooky fun and creative activities!

Getting Ready for 2027?

Families are asked to please update your child's 2027 year level in **Fully Booked** when preparing for next year's bookings.

This helps ensure you can access the correct calendar and secure your sessions.

IMPORTANT

Have you changed your address, phone number or work details?

Has your child been diagnosed with Asthma or an Allergy?

It is vital that all information held by the school is up to date.

Please contact our office staff or email the school with any changes required.

In the case of a medical condition the school will require documentation from the doctor.

If unsure please contact us.

SCHOOL BANKING DETAILS
