

PRINCIPAL'S NEWS

'Hello' and 'Goodbye' to the fabulous Cranbourne Primary Community. Despite the wild rain, wind and sun over the last 2 weeks, I have thoroughly enjoyed my time as part of your school community.

The word PRIDE proudly dominates the entrance to the school, but it doesn't stop there; the qualities that form PRIDE are evident everyday across the classrooms and the yards. The quality that struck me the most was the respect the students demonstrate for themselves, their peers and their environment. This speaks to the drive for outstanding wellbeing support and academic excellence that drives the actions of teachers, education support and leaders across the school. I have taken back lots of learnings and observations to my home school, Rangebank Primary School, and I hope that I have shared a little of some of Rangebank's good practise with my colleagues here.

Wellbeing News

Term 4 Week 4

Wow! Where has the time gone? This Fortnight our grade 5 students tried grade six jackets on for size.

We have our first classes doing the RSPCA incursion, a groups of our young girls tried out for the Australian Girls Choir and the grade ones are heading to the Cranbourne Gardens.

Teacher Appreciation Day

Friday is teacher appreciation day a great chance for our students to reflect on all the things their teachers do each day to help them learn and make them feel safe and happy at school.

A big thank you from our school Leadership Team to all of our amazing teachers for all of the hard work they do.

Cyber Safety

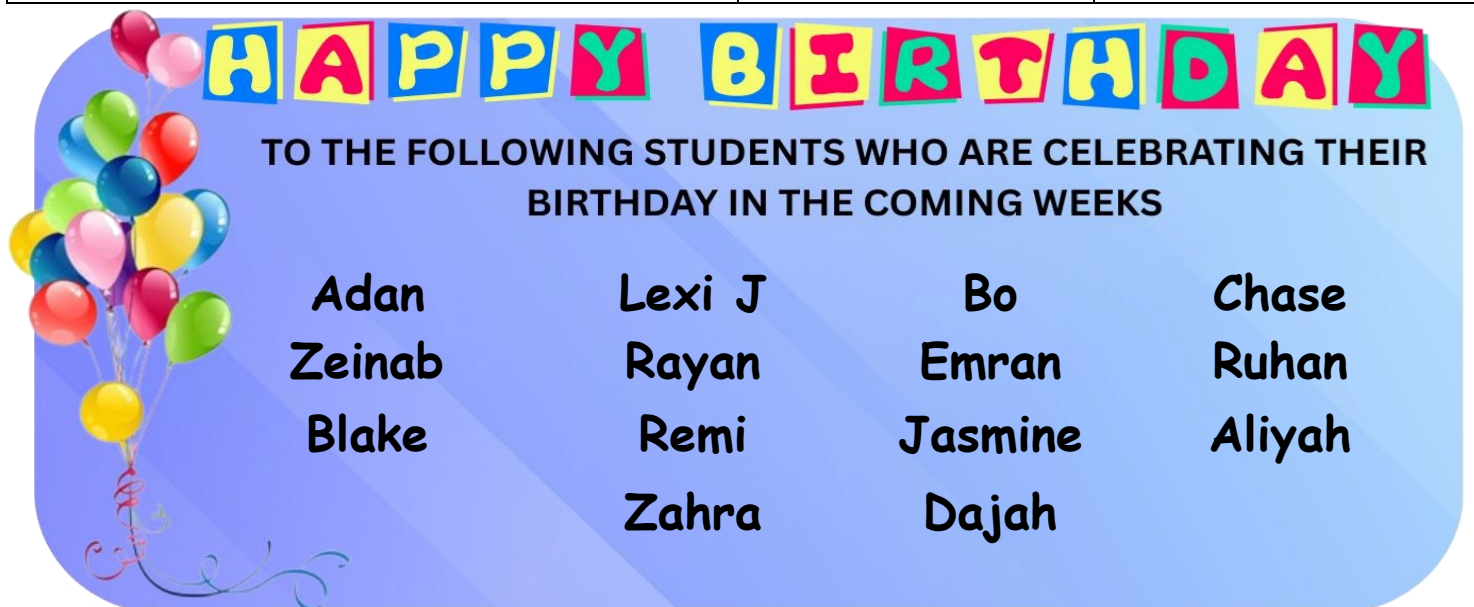

We have noticed a rise in students accessing inappropriate content and social media platforms this term. It's easy to think 'my child wouldn't', but I would ask you to consider what if they did? Many times when we call home to families to let them know of incidents happening online the family had no idea that their child was accessing things such as Snap Chat, Tik Tok, Facebook or even online games with their own chat groups. We encourage all families to keep their children safe by only allowing access to devices in an open space so that it can be monitored and keep them safe. For more information on Cyber Safety please access school TV through the schools website or contact the school wellbeing team.
