Community Health

This weekend there was a telecast of the fundraising event hosted at the MCG during the football. (Big Freeze at the G) The event was led by past football player and coach, Neale Daniher, to raise public awareness of Amyotrophic Lateral Sclerosis (MND-motor neurone disease)

It is essential that we develop our own understandings of how health issues impact on others, especially in our own community.

The staff at Cranbourne Primary School are committed to support students who are facing daily challenges of sick family members. When children are worried about their family members, their ability to concentrate, problem solve, control their emotions and learn is impacted.

If your child is impacted by health problems within your family – please let our staff know so that they can provide the necessary support for your child.

To further support the wellbeing of our students, a chaplain has joined our well-being team. She will be working with staff to support students throughout the year. The chaplain is spending the next three weeks getting to know staff and students before her program commences.

Curriculum

Home Reading and Take Home Books

**We are making improvements to our Home Reading Program and
the borrowing of Take Home Books!**

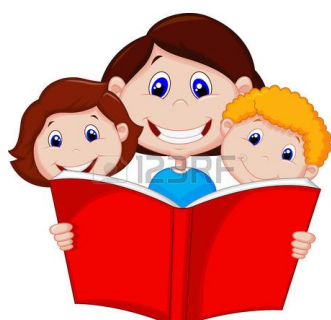

Each family will be provided with an outline of how the Home Reading program will operate from the start of term 3, and the expectations we have for the borrowing and returning of Take Home books.

The information will be provided to you at your Student Progress Discussion during the last week of this term.

Please take the time to read through the information, so that we can work together to provide the best learning opportunities for your child.

If you have any questions about the process, (once you have read through the information!) please do not hesitate to contact me.

SCHOLASTIC ***BOOK FAIR***

Congratulations to our Book Fair raffle winners

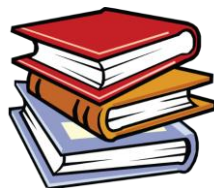

Jaylan JCM Joel MSG Chelsea JTK

Thank you to all families that visited the Book Fair.

Your support of the Book Fair resulted in total sales that exceeded \$1,723.

This provides us with \$430 worth of books for our school library.

Hopefully we will have another great response next year!
