The teaching and learning pedagogy at Cranbourne Primary School is developed on a
RECIPE (Relevant Engaging Challenging Innovative Personalized Enjoyable)
based curriculum that supports the members of the school community to develop intrinsic
PRIDE (Persistence Responsibility Independence Discipline Enthusiasm) *in their learning.*

students at school

NO ASSEMBLY THIS
WEEK.

PRINCIPAL'S NEWS

Issue 18
17th June 2015

STUDENT PROGRESS

Next week is not only the end of term 2 but is also the completion of semester 1. Students have been working responsibly throughout the semester (term 1 & term 2) and have all made significant progress. Reports are being finalised and will be sent home in time for parents to read before participating in the Student Progress Discussions next week.

Parents are encouraged to check on progress of literacy and numeracy goals, view student work books and ask the teachers questions during the discussions.

EXTRA-CURRICULA ACTIVITIES

This week our senior students will be involved in the Lightning Premiership on Thursday and our I Sea, I Care ambassadors will be joining me on the next phase of their program tomorrow.

SCHOOL HOLIDAYS

Now is a good time to start thinking about activities for the school holidays which begin on Monday 29th June. Check for some ideas in this newsletter.

Excursion Fund
(CSEF) **close on
Friday, 26th June.**
Please fill in
application form at
the office and bring
your eligible
Healthcare Card.

Student Progress Discussions

Thank you to all parents/carers who have returned the time sheet to organise a time to meet with teachers next week.

You will receive your time confirmation slip today – please check your child's bag!

If your child does not bring the time confirmation home this afternoon, please contact your child's Home Group teacher.

If you have not arranged a meeting time as yet, please contact your child's Home Group teacher to schedule a discussion time for you.

Student Progress Discussions are an important way for parents and teachers to communicate about a child's progress and future learning goals. They are also a great way to share important information about a child's social and emotional development.

We hope to see you there!

***Di Fernand
Assistant Principal***

Thank you to our volunteers!

A big thank you to Pat and Tracey who do the pupil banking every Friday →
← And a big thank you to Sarah and Rachel for co-ordinating the Snax Fundraiser orders!
We hope the orders will be back before the holidays.

School Holidays

Physical Education at Cranbourne Primary School

At Cranbourne Primary School we provide a high quality Physical Education program for every child. It is designed to prepare students for a healthy and active lifestyle through the development of skills, knowledge, teamwork and positive attitudes. Our comprehensive program provides children with a wide range of physical and sporting experiences focusing on the sequential development of fundamental motor and locomotion skills, gymnastics, dance, athletics, fitness and sport education.

At the beginning of each session a strong emphasis is placed on promoting teamwork and goal setting.

Some of the goals include:

encourage & cooperate with each other	always try your best
have fun	improve eye/hand and eye/foot coordination.
use equipment properly	improve locomotion, balance and fitness.
