PRINCIPAL'S NEWS

Issue 22
29th July 2015

Please be reminded that participation in some planned activities throughout the year is built into the school fees.

Life Ed will be coming to our school soon and is included in your child's school fees.

If you still have fees to be paid, please contact the office to make the necessary arrangements to finalise any outstanding balances to ensure your child attends the Life Ed program. This is an engaging program that provides valuable life lessons for our students.

Last Friday on our Curriculum Day our staff participated in an intense learning program focused on the development of our reading program.

Curriculum

Specialist Programs

We provide many varied learning opportunities and settings, to ensure we address the learning styles, interests and talents of all students. Our Specialist program is one way that we address this—by providing a variety of curriculum areas/subjects to accommodate the interests of our students.

Students attend Physical Education (PE), Visual Art, Science and Library sessions throughout the year.

PE—teaches students how to enhance their own and others' health, safety, wellbeing and physical activity participation in varied and changing contexts.

Visual Art— students learn how to make visual representations of their ideas, experiences, observations and imagination, through a variety of materials. Students respond to artworks and artists.

Science—provides opportunities for students to develop an understanding of important science concepts and processes, and enjoy the experience of scientific discovery.

Library—enhances the Literacy program, and develops an appreciation for literature.

Curriculum Day - Friday 24th July 2015

Last Friday we participated in a Curriculum Day, focused on Literacy. We visited another school (Belvedere Park Primary School) that has recently implemented CAFÉ reading strategies and structures, to help us evaluate our progress and future areas for improvement.

We then spent the rest of the day working on the future areas to implement at our school, that will help to maximise student learning opportunities, particularly in the area of Reading.

It was a busy and productive day, that helped us to highlight our current strengths as well as ways to improve our teaching and learning practice.

If you have any questions about CAFÉ, please do not hesitate to speak to a staff member.

We are very excited about the improvements that we can already see in the students—in their attitude to reading, as well as their academic achievements!

Woolworths Earn & Learn

CPS is participating in the Woolworths “Earn & Learn” Rewards Program.

If you shop at Woolworths, you will receive a sticker for every \$10.00 you spend. These stickers are then placed on sticker cards, and once a sticker card has been filled, they can be placed in a collection box.

We have collection boxes at the main office at school, as well as Woolworths Cranbourne Park and Selandra Rise stores.

Please place filled sticker sheets in the boxes. If you have loose stickers, hand them in to the school office and we will transfer them onto sticker sheets.

The more sheets we fill—the more points we accumulate to spend on resources for the school.

Please support our school by collecting the stickers whenever you or a family member shops at Woolworths.

*The program is running from
Wednesday 15th July to Tuesday 8th September 2015.*

Testimonials

"Having completed both Certificate III and IV in Business, I would highly recommend this course for those wanting to enhance and update their computer/business knowledge. The information supplied in the course manual was very detailed, informative and easy to follow. Personally, this course has taken my computer skills to a new level and I have a greater understanding of the latest business and technology updates"

Graham McMechan

"I thoroughly recommend this course for I have gained both confidence and skills to seek employment as an Administration Assistant.

Thanks TIV"

Melissa Suli

"Doing Cert III at TIV has certainly given me knowledge and confidence. The instructors are very helpful and are always available. I've enjoyed the course and am back for more...

I'm now doing Cert IV!"
