## **PRINCIPAL'S NEWS**

Thank you to all the families who attended our scheduled Student Progress Discussions last week. We hope these were informative and have assisted you to interpret your child's mid year (semester 1) report. We were pleased to have provided 15 translators who interpreted for families who speak Dari, Burmese, Hazaragi, Punjabi, and Sinhalese, to communicate with teachers during the conversations .

We would welcome your feedback on our Student Progress Discussions to support their continued improvement. Please complete the form on the last page of this newsletter and return it with your child/ren for our consideration.

The staff continue to be proud of our students when interacting with members of the community. Feedback from: CRTs who have visited our school, coordinators of sporting events (Lightning Prem. last week and Hoop time today) and incursion organizers over the past two weeks, have all been positive, identifying how polite, supportive and cooperative our students are.

## Curriculum

*Swimming is back in Term 4!*

We will be providing the opportunity for **ALL** students to participate in swimming lessons again this year. Students will complete 7 sessions during October and November, in term 4. The cost of the sessions will be covered by the school.

If your child does not have private swimming lessons, this is a great opportunity for them to begin, with their friends and teachers there to support them.

Learning to swim is an important life skill, and we would love to see all of our students taking part in the swimming program this year, to further develop their swimming ability.

Permission forms and information will be provided to you in a few weeks.

# LIDS 4 KIDS

Lids 4 Kids has teamed up with the e—Nable community to provide bespoke aids for children. Using 3D printers and recyclable bottle lids, 3D printed hands and arms will be made for those children in need of an upper limb assistive device.

We are seeking support from our school community to contribute to this great foundation. If you have any plastic lids from your milk, water, juice or soft drink bottles please donate by placing them in our box which will be placed in the hallway (facing our decking area).

Please ensure you take the time to wash your lids before donating.
