PRINCIPAL'S NEWS

Thank you to the parents who have received an invite and already completed our Parent Opinion Survey. The information collated in these surveys assists us to identify areas where we can improve to support our parent community.

If you received an invitation but have not yet completed the survey, could you please do so asap as the survey will be closing shortly. If you need support to access the survey, please feel welcome to come to the school office on any morning where we can connect you to the survey through a school device.

The students are all excited about the upcoming Talent Show—this Friday in the gym. Students have been auditioning in their learning communities and selecting their participants ready for the final. We would be delighted to see parents attend to provide encouragement and support of this event.

Our middle and senior students and staff are gearing up to attend camp next week. I am looking forward to joining the seniors at the Phillip Island camp.

Schools can be the center of a community, where families seek and receive support for many different reasons. Students connect and can create bonds that forge life long friendships. Teachers develop special bonds with their students and their memories last a life time. Some of the most rewarding times in a teacher's career are when past students come back to visit us and share their successes or their experiences, relating it to their connections with us.

Many of our past students often return to visit and update us on their lives, which brings us great pride.

This week we were saddened to hear that one of the teenagers who did not survive the fatal car accident in Cranbourne on the weekend was one of our past students. We send our thoughts to her family and friends. The accident sends another reminder to families regarding the importance of educating our children from an early age about road safety and the impact of combining speed, poor weather conditions and inexperience when driving.

FROM THE OFFICE

With the wet weather we have been experiencing lately, our supply of spare clothes is running out.

If your child has come home with any clothes from school, can you please ensure that these are washed and returned to the school as soon as possible.

It may be a good idea for the younger students in particular, to have a spare change of clothes in their bag in case of an emergency.

CPS Art & Music Show

We hope that you will be able to join us for our wonderful 'Arts 'evening on Wednesday September 3rd. There are many students at CPS who are extremely talented —whether it be creating works of art or performing! The Art and Music Show is an opportunity for us to showcase their talents, and acknowledge their achievements! See you there!

Children's Book Week

Children's Book Week is officially next week, however, due to our Middle and Senior camps also being next week, CPS will be celebrating Children's book Week the following week (week commencing Monday 26th August.) The theme is "Reading is my Secret Power", so we encourage everyone to dress up for our dress up day on Wednesday 28th August!

Monday 26th August—Curriculum Day ! No students required at school.

FRIDAY 16TH AUGUST - 2:30 IN THE GYM

HOOP TIME

Cranbourne Cobras!

Rookies!

In the rookie team (Cranbourne Cobras) for Hoop Time, we came 2nd overall. We won five games out of six. Some of our games were challenging and some were not. We had very good teamwork and when we were stuck, there was always someone there to pass to. We controlled our subs by ourselves, with very minimum help. The players in our team were Valentine, Elijah, Nyakueth, Seepa, Tuasivi and Angelo. We really enjoyed the day and we had so much fun.

FUTURE ALL STARS

CRANBOURNE CAVALIERS

On the 7th of August Taylah, Sahasra, Isaac, Jordan, Taj, Marissa, and Dylan went to Casey Stadium. We played four games of basketball and won all except one. Our first game, the opposition did not turn up so we won. Altogether we all did a great job and had lots of fun. At the end of the day, we came second. In our second game that we played, we smashed the opposition by 31 points. All the time we had people encouraging us which was great.

Welcome!**

LIDS 4 KIDS

Lids 4 Kids has teamed up with the e—Nable community to provide bespoke aids for children. Using 3D printers and recyclable bottle lids, 3D printed hands and arms will be made for those children in need of an upper limb assistive device.

We are seeking support from our school community to contribute to this great foundation. If you have any plastic lids from your milk, water, juice or soft drink bottles please donate by placing them in our box which will be placed in the hallway (facing our decking area).

Please ensure you take the time to wash your lids before donating.

BREAKFAST CLUB
