## PRINCIPAL'S NEWS

A huge thank you to the staff who attended the two camps last week—Mr. Clydesdale, Mr. Baker, Miss Dell, Miss Ferdinands, Miss Field, Ms Martin, Mr Bailey, Mrs Hare, Miss Collier, Mrs Hance, Mrs Collier, Mrs Steeden, Miss Madden. Staff take time out from their families and other personal responsibilities to attend camps. Teachers do not get paid extra to attend camps but do so out of commitment to students. I am sure you will join me to express your appreciation for this dedication—the students all thoroughly enjoyed their camping experiences.

## School Uniform

*During my visits to learning spaces, and walking through the grounds at recess and lunchtime, I have noticed that there is an increasing number of students who are not wearing correct school uniform.*

*Our Student Dress Code reinforces in students a sense of pride in their appearance, instils recognition of themselves as part of the school community, and assists in developing pride in representing their school. The Dress Code promotes equality amongst all students and maintains and enhances a positive image of the school in the community. It also helps to enhance the school identity, tone, morale, self-esteem and general appearance of the students.*

*Please support the school by ensuring your child is in the correct school uniform every day. If you are unsure of our Student Dress Code, the policy is located on the school website, and is also printed in your child's student diary.*

**Remember—we are a Sun Smart school—hats are to be worn from Monday 2nd September.**

**No hat—No Play!**

## Head Lice

It has come to our attention that some students in the school may have head lice and we seek your cooperation in checking your child's hair.

Head lice do not transmit infectious diseases – they are transmitted by having head to head contact with someone who has head lice. You may be reassured to know that head lice are commonly found in places other than Cranbourne Primary School. Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on humans for 10,000 years!!!

### What can you do?

We seek your cooperation in checking your child's hair and in those instances where head lice or eggs are found, treating your child's hair.

### If head lice or eggs are found on your child's hair you need to inform:

- the school and advise when the treatment has started.
- parents or carers of your child's friends so they too have the opportunity to detect and treat their children if necessary.

### When can my child return to school?

Health regulations requires that where a child has head lice, that child should not return to school until the day after appropriate treatment has started. Please note, this refers only to those children who have live head lice and does not refer to head lice eggs.

Cranbourne Primary School is aware that head lice can be a sensitive issue and is committed to maintaining your confidentiality.

# C.P.S. Got Talent

On Friday the 16th August, students participated in Cranbourne Primary School's first ever CPS Got Talent. Students from the foundation to the seniors performed in groups and solo. There were amazing performances with students singing, dancing, a magic show, a puppet show and flying paper aeroplanes.

Teachers and two students from the Senior Learning Community, Ayesha and Lampstand helped to judge the performances. Results of the competition were announced at assembly on Friday 23rd. The winners were:

- Lacey B from F-2 Community for her jokes and Puppet show
- Buthmi C from the Middle Community for singing
- Sally and Sophie from the Senior Learning Community for singing.

Well done to everyone who participated in CPS Got Talent and thank you to all of the family and friends who attended for their wonderful support!

A big thank you to Miss Prosser and the teachers who helped make this exciting opportunity for the students.

# **Father's Day Stall**

**Thursday 29th August**

**All gifts \$5 each**

If you would like your child to purchase a Father's Day present, please send \$5 in a named envelope on the day so they can shop at our PFA stall.

(Once all children have purchased a gift, there will be opportunity to purchase additional gifts depending on supply.)

# **CRANBOURNE PRIMARY SCHOOL**

**Dear Parents/Guardians,**

**On Wednesday 11th of September the Senior Learning Community are holding a school carnival for the students during school hours from 12:00 to 1pm.**

**While at the carnival, students will be able to participate in many different activities including Lucky Envelope, Mystery Jelly Box, Wet Sponge and various sporting activities.**

**To support the carnival we are asking all students to donate a bag of individually wrapped chocolates or lollies to go towards the prizes that students can win. For each packet/bag donated, students will get a raffle ticket to win one of the many fantastic prizes that have been donated from our local community.**

**We are also accepting any other donations to be used as raffle prizes and would greatly appreciate any assistance you can offer.**

**Could all donations please be in no later than Friday 6<sup>th</sup> September.**

**Proceeds from the day support Grade 6 Graduation.**

**Thank you for your support.**

**Senior Learning Community teachers and students.**

# LIDS 4 KIDS

Collection Box in the hall  
near the deck.

Must be clean!!!

Lids 4 Kids has teamed up with the e—Nable community to provide bespoke aids for children. Using 3D printers and recyclable bottle lids, 3D printed hands and arms will be made for those children in need of an upper limb assistive device.

We are seeking support from our school community to contribute to this great foundation. If you have any plastic lids from your milk, water, juice or soft drink bottles

## **What is Influenza (or the "the Flu")?**

Influenza (or "the flu") is caused by infection with influenza viruses A , B and rarely C. It mainly affects the throat and lungs, but can also cause problems with the heart and rest of the body, especially in people with other health problems.

## **What are the symptoms?**

Symptoms usually occur one to three days after infection, and may include sudden onset of:

- fever
- headache
- muscle and joint pain
- sore throat
- cough
- runny or stuffy nose
- severe tiredness.

Most people recover within a week. Compared with many other infections (like the common cold), influenza tends to cause more severe symptoms and complications.

## **How is it spread?**

The virus is mainly spread from person to person through droplets after an infected person coughs or sneezes, or through touching (e.g., when a person shakes hands with another). It is easier to catch influenza in confined or crowded spaces.

A person with influenza is contagious from the day before, until a few days after symptoms begin.

## **Don't spread it around!**

If you get symptoms of influenza:

- stay at home until you are better
- cover your coughs and sneezes with a tissue and dispose of it in the garbage after use
- wash your hands with soap and running water for 10 seconds after coughing, sneezing or blowing your nose, and before touching other people or objects.
