PRINCIPAL'S NEWS

I am very pleased to report to the community a summary of the results of our recent 'School Performance'. DET review school performance based on; community survey and Naplan results.

1. Staff survey—Teachers have expressed increased endorsement of most components in School Climate and Teaching & Learning
2. Parent survey— Parents who responded to the survey gave very positive feedback in all areas, particularly in Positive Climate for learning and Excellence in Teaching & Learning.
3. Student survey—Students in grade 4, 5 & 6 showed increased awareness of: teacher high expectations, positive attitude to learning and sense of inclusion.
4. Naplan results—the growth in Reading between grade 3 and grade 5 is improving. Students achieving in the top two bands of reading in grade 5 is also improving. Writing results, both achievements in top levels achieved growth are improving.

Copies of theses will soon be available on the school website.

Community News

Swimming starts next week – Wednesday 23rd October!

We are looking forward to the start of our swimming sessions next week.

We have had an overwhelming response this year, with over 300 of our students taking up the opportunity to attend.

This is a great outcome, and reflects our community's commitment to ensuring our students continue to improve their swimming skills, and to participate in healthy activities.

Students will attend their sessions in house groups, and they will be walking to and from Casey Race. It is important that your child has their school hat to wear for the walk to and from the pool.

As we are a Sun smart school, students are required to wear their approved hats for outdoor activities during school hours. Therefore, if your child does not have their school hat, they will not be permitted to attend.

Please make sure your child/ren wear their bathers under their school uniform. This helps to speed up the process of getting students ready to commence lessons once at the pool.

Positive Learning Environment

Missing even one day of school can make a child fall behind in class. Even if it is the day before or after a school break, students are learning new things every day that will help them stay on track.

It is important to also be on time each day so students don't miss a minute of class.

At Cranbourne Primary School learning starts at 9am every day.

As a school community can we improve our attendance?

Attendance: 7/10/19 – 11/10/2019

Every day Counts!

Free Dress Day—Supporting “Canteen” Friday 25th October, 2019

Canteen is an organisation that supports children and teens with cancer.

Students are invited to wear free dress on this day and make a gold coin donation.

Students also have the opportunity to purchase a “Canteen” Bandanna to wear on the day. The cost of these bandannas is \$5, with all proceeds going to “Canteen”. Please see the office if you need a form.

Lids 4 Kids has teamed up with the e—Nable community to provide bespoke aids for children. Using 3D printers and recyclable bottle lids, 3D printed hands and arms will be made for those children in need of an upper limb assistive device.

We are seeking support from our school community to contribute to this great foundation. If you have any plastic lids from your milk, water, juice or soft drink bottles

Understanding Parent Payment Categories

Schools

What does the legislation say?

The Education and Training Reform Act (2006) provides for free instruction in the standard curriculum program to all students in government schools. The Act also empowers school councils to charge fees to parents for goods and services provided by the school to a child.

In the Act, a 'Parent' includes a guardian and every person who has parental responsibility for a child including parental responsibility under the Commonwealth Family Law Act 1975 and any person with whom a child normally or regularly resides.

What do schools pay for as part of 'free instruction'?

Free instruction is the teaching staff, administration and the provision of facilities in connection with the instruction of the standard curriculum program, including reasonable adjustments for students with disabilities.

The standard curriculum for Years F-10 means implementation of the Victorian Curriculum F-10.

The standard curriculum for senior secondary schools means a program that enables a student to be awarded a VCE or VCAL qualification.

What principles govern parent payment practice?

Educational Value | Access, Equity & Inclusion | Affordability

Engagement & Support | Respect & Confidentiality | Transparency & Accountability

Parents

What may parents be asked to pay for?

Schools can request payment for Essential Student Learning Items

These are items, activities or services that the school deems essential to student learning of the standard curriculum.

Where practical and appropriate, parents may choose to purchase items through the school or provide their own.

These may also be either:

Items the student takes temporary or permanent possession of

- e.g.
- textbooks, activity books, exercise books
 - stationery, book bags
 - student ID cards, locks
 - cooking ingredients students will consume
 - materials for final products that students take home (technology projects, build-your-own kits, dioramas)
 - Picture Exchange Communication Systems

Activities associated with instruction that all students are expected to attend

i.e. travel, entry fees or accommodation

- e.g.
- excursions
 - incursions
 - school sports
 - work placements

Parents can be asked to pay for items, activities and services in the three Parent Payment Categories:

Essential Student Learning Items, Optional Items and Voluntary Financial Contributions.

Schools determine how items, activities and services are classified within these categories based on the learning and teaching program of their school.

Support for families experiencing hardship is available at every school and each school has a parent payment contact person. See your school's policy for more information.

For more information on Parent Payments and Personal Devices, visit the DET website at: www.education.vic.gov.au

Schools can invite Voluntary Financial Contributions for

Schools can request payment for Optional Items

These are items, activities or services that are optional and are offered in addition to the standard curriculum.

Students may access these on a user-pays basis.

These may be either:

Items the student purchases or hires

- e.g.
- school magazines, class photos
 - functions, formals, graduation dinners
 - materials for extra curricular programs
 - student accident insurance

Activities the student purchases

- e.g.
- fees for extra curricular programs or activities, such as instrumental music tuition
 - fees for guest speakers
 - camps, excursions, incursions, sports
 - entry fees for school run performances

Items and/or materials that are more expensive than required to meet the standard curriculum

- e.g.
- use of silver in metal work instead of copper
 - supplementary exam revision guides

- e.g.
- Building or Library fund (Tax deductible)
 - Voluntary contributions for a specific purpose, such as equipment, materials, services.
 - General voluntary contributions
